Filipinos Fervent Catholics

Geneva — "We had a very enjoyable trip on a freighter and reached our mission on Sept. 16," writes Rev. Francis J. Toney, young Maryknoll missionary to the Philippines.

Father Toney is the son of Mr. and Mrs. Conchita F. Toney, 58 Evans St. He was ordained early in June and his first mission is in the Philippines.

"We are about eight degrees above the equator and the weather is very warm. Fortunately, we can shower daily from our rainwater supply. This is what we also use for drinking water, catching it from our roof. Thus, we sure appreciate God's rain."

"The people and especially the children, are very lovable. They all have a great love for the Catholic faith, and are desirous of the spiritual benefits obtained from God through His priests. Yet we are so few and they are so many."

"There are always six or seven-inch boards on the screens and sometimes inside near the entrance doors. But they're harmless and good for killing bugs."

DeSales Seniors Receive Rings

Geneva — DeSales High School Seniors received their class rings at a special ceremony on Nov. 21. The rings were blessed by Rev. Richard A. Hart, chaplain, and presented to the students by the principal, Sister Marie Margaret.

Sister congratulated them as the first class to have the new ring. Designed by the Ballou Company, the ring is of blue spinel stone with the image of St. Francis de Sales on one side and the picture of the school on the other.

The figure of St. Francis, your patron, should remind you of the virtues of this great saint — his kindness, gentleness, and charity towards others — virtues that should be outstanding in your own lives.

"The picture of your school should bring to your mind all that you owe your school — all that your school has done for you. The blue of the stone should be a pledge of your loyalty to your school, crowned by the gold crest representing the gold of your good deeds."

"Wear your rings proudly. They have received the blessing of Holy Mother, the Church, treat them with respect and reverence."

She reminded them that their rings were not a mere piece of jewelry. "As you look at them upon your fingers, you should be reminded of your dignity as seniors of a Catholic high school."
