Propagation Office Asks Donation For Lepers

To ease the plight of the 10,285 lepers in the world, the Society for the Propagation of the Faith is making its annual Christmas appeal according to Rev. George S. Wood, American director.

Father Wood, in asking for at least 25 cents a day toward medical treatment and care for a leper, noted there are more victims of leprosy in the world than cancer or tuberculosis.

LAST YEAR THE people of the Rochester Diocese contributed \$9,000 for the work among the 300 leproaria maintained by the Propagation of the Faith society.

Three thousand sufferers of the disease are in North America, Father Wood reported with the rest as follows: Asia, 7 million; Africa, 3 million; South America, 150,000; Oceania, 120,000; Europe, 25,000.

Donations are being accepted at the diocesan office, 50 Chestnut St., Rochester 4, N.Y.
