Reddy Kilowatt Says:

Your family can eat better for LESS with a FOOD FREEZER

... and savings on food can pay for your Deepfreeze HOME FREEZER made only by Amana.

With an Amana-Deepfreeze you can take advantage of sales and specials of your market, buy in larger quantity when foods are at low in-season prices and enjoy them all year long and not worry about prices spiraling upward as items go out of season. You can also save money by freezing leftovers. In fact, left-overs become planned-overs when you have a freezer. Frozen left-overs are just as fresh and delicious months later as they are when you wrap them for the freezer.

An 18 cubic foot Amana-Deepfreeze chest-type freezer costs as little as \$252 a week to own on budget terms at your RG&E. So you see the savings that you can make on food buys and savings on leftovers can actually pay for the freezer. Of course, after the freezer is all paid for, you're money ahead.

Amana Freezers are available in both upright and chest types from 11 to 25 cubic foot sizes. See them at your RG&E.

**FREE FREEZER BOOK**

RG&E Home Service Department has prepared a 46 page booklet all about freezing that's yours for the asking when you visit the RG&E this week.
