Weights. Measures

"National Weights and Measures Week," is being observed in Rochester and vicinity this

week, Heading the citys observe

Congress passed the first

law in the United States, 160

years ago on March 2, 1799, Samerafink pointed out.

Few activities are more baric

to our business system and our

civilization than accurate

weights and measures. Samen-fink said. He also said our civ-

ilization would quickly grind to a halt without them. It is almost impossible to name any

thing we wear, use or eat that

ured once or many times in its production and distribution," "Weights and Measures," the City Sealer said, "is one of the

more important activities of local government. Every citizen

has a direct financial stake and so does every businessman

-In seeing that all such transactions are fair both to buyer

and seller."

Week Observed

held at this time.
