### The Weekly Note From Mr. Pepsi

Last week I had the pleasure of meeting twenty young people who comprise the Advisory Board of our television show, "Saturday Dance Party". They work with "Uncle" Eddie Meath in planning and staging each telecast. It would do every older a lot of good to be sociable more often with the younger generation. To say that I was impressed by these youngsters is to put it mildly. It's a revelation to get to know the majority of young people who are wonderfully bright and alive and wholesome, full of great dreams and ambitions. More power to them. Our kids are really great!
