Personality Course Offered At Mercy

Miss Anne Culklin, originator of the "Anne Culklin course of Personality Development" offered her course this week to students at Our Lady of Mercy High School, according to Sister Mary Florence, principal.

The "Anne Culklin Course" has been described as one of the most unusual approaches to the development of personality by national educators, religious leaders and scores of women who have benefited as a result of MISS CULKLIN'S "CULKIN" method.

IF A rewarding and sincere personality is to be developed, Miss Culklin believes, an understanding and appreciation of the true nature, dignity, and role of women is necessary. The woman must realize that her own religion is not a "Sunday kind of thing," but that it can be used for successful everyday living.

IT was the acute need for a training designed to meet the needs of today's woman, regardless of her age or social background, that inspired the "Anne Culklin Course."
