Among Women. A Long Ride

By MARY LENNON SNYDER

The Feast of Our Lady of Good Counsel saw me on a long and lovely ride en route to a Library Tea of the Steuben Diocese Council of Catholic Women. Late in the morning I left Auburn with a faithful friend who having sacrificed her Sunday so that I would not have to travel alone had to endure the additional nuisance of listening to me talk. We enjoyed our beautiful lake country, as we drove along Lakes Seneca and Keuka down into the hills of the Southern Tier.

AT HORNELL the tea and display of Catholic literature were held in the Pine Room of St. Anne's Church. I suspect that St. Anne's school has been built a long time, but its basic meeting room is far removed from the school basements of my memory.

The rooms, as one might suspect from its name, was pine-panneled. At one end there were neatly labelled sections where the various grades could hang their outer clothing; there was also a very compact, well arranged serving area, then the larger part was arranged for meetings.

As is customary where women have an opportunity to exercise their innate excellence as homemakers, the tea was an artistic and gustatory success. A beautiful statue of Our Lady dominated the tea table scene. The array of table appointments, the variety and abundance of the conestibles would have taxed the descriptive powers of Washington Irving with all his gifts in telling of the well laden festive tea tables of the Hudson Valley Dutch housewives.

Before and after the program I observed a lively interest in the excellent array of books and magazines. The display of books was most interesting, since it ranged all the way from inexpensive paper covered books to magnificent deluxe editions.

THE PROGRAM opened with a group of songs presented by girls from St. Anne's Parish who are attending Hornell High School. Much can be learned about any group by observing its children and young people. These young girls reflected the interest and careful training which have been expended upon them, for they stood well, sang well, and were a joy to hear and to behold.

Thanks to the extra hour given us by daylight saving time we wore home shortly after dark, thus pleasing our famished serving area, then the girls who were glad to see us returning from our travels.

However, the day did not end for me with my return home, for my mind keeps returning to the interesting and dedicated women I met in Hornell and to several of the inspiring and challenging conversations I had during the tea time with individual women.

THE LAND OF COTTON

has been told of in song and story for a long time. Whenever we think of the fields of cotton we seem to imagine happy, open air, smiling all the day... delighted with their work. This may be the case in some places, but it certainly is not true of the fields of cotton to be seen at Tomoka (Kilbuck) Cotton; has recently been introduced here) as a means of support for the national economy, and we feel that it is an experimental stage. Unfortunately the people are not in the "experimental stage"—and they need food, clothing and shelter. However, their faith is so strong and they feel the need of Our Lord's presence among them so keenly that the first thing they desire for a chapel, they wish Our Lord to come and to live among them. Can you help them in this work? The cost of a complete chapel will be \$5,000.

MEMORIAL DAY IS A TIME TO THINK OF THOSE WHO HAVE GIVEN THEIR LIVES FOR OUR COUNTRY... THIS YEAR LET US DO MORE THAN SPEAK OF THEM. LET US HELP THEM BY HAVING MASS OFFERED FOR THEM. YOUR MASS OFFERINGS WILL HELP THOSE WHO HAVE DIED AND AT THE SAME TIME HELP YOUR MISSIONARIES.

THE DAY IS ALMOST HERE when thousands of happy-refugee children will be welcomed to Our Lord in the Blessed Sacrament for the very first time. The lives of these poor children have begun but little real joy. Can you help them to make First Communion Day a time of perfect happiness. It will suit a child for First Holy Communion and all his day with joy. Can you help OUR MISSIONARIES?

MAY IS THE MONTH OF LIFE... In the beautiful days of May we see the life of the earth begin anew as though the world were just beginning. MEXHALE and PAULOS wish to devote themselves to bringing the new life of grace to the souls of men. They wish to be present at least through the Mass and the Sacraments the life of God, the life of Grace as bring new strength and new courage to the many poor people of Iraq who know Him not. Each boy must have a sponsor who will pay his necessary expenses of \$100 a year during his six year seminary course. In this "month of life" would you like to share in bringing the life of Christ to souls?

TO STRENGTHEN THE ARMS OF CHRIST IS THE PRIVILEGE OF ALL THOSE WHO SEND SPRINGLESS GIFTS TO THE NEAR EAST MISSIONS... WHEN YOU HELP THE HOLY FATHER YOU HELP CHRIST... STRENGTHEN TO THE ARMS OF THE HOLY FATHER IS STRENGTHEN TO THE ARMS OF CHRIST... SEND A STRENGTHLESS GIFT TODAY.

SISTER MARY YVONNE and SISTER MADEIRA of THE VISITATION have also seen the new life of nature as it breaks through during the month of May. They would like to help the life of Grace break through in the souls of the poor and unfortunate who surround them on all sides. They would like to become Sisters of the Good Shepherd. Can you help them? Each girl must have a sponsor who will pay \$150 a year for necessary expenses while she completes her two year period of novitiate training. Adopt a "daughter in May" during this month of May.
