**Sacred Heart Feast Marked At De Sales**

Sacred Heart marked the ninth First Friday in which the student body as a group has received Holy Communion as a body during the school year.

Geneva-The Feast of Sacred Heart was fittingly celebrated at DeSales High School by the consecration of the student body to the Sacred Heart. With the dedication of the new chapel, designated the Chapel of the Sacred Heart, by Bishop Kearney, devotion to the Sacred Heart received a new impetus among the students.

ADORATION of the Blessed Sacrament throughout the day provided an opportunity for all students to pray and meditate. Mass was celebrated in the gymnasium by Rev. John Duffy of St. Stephen's Parish. Before the Mass, Rev. Richard Hart, chaplain, read with the student body and faculty, the act of consecration to the Sacred Heart. In a brief talk, Father Hart urged each student to make an individual consecration of his life.

Devotion of the Most Blessed Sacrament was given in the chapel at the close of the school day. The Feast of the

Transference of the colors took place at a school assembly presided over by Rev. L. G. Hart, C.S.B., vice-principal.

Brian Gibson and Lawrence McAlpine, president and secretary, spoke on behalf of the class of 1959.

**City Honors Essays By Nazareth Girls**

GALE, Susan and Patricia Grause, Nazareth academy students, were presented with certificates of excellence for their essays describing their experiences as honorary city officials for one day. Presentation was made this week by William P. J. Garady, committee member for the Student Day in Government Program.

Father McFarland announced that on succeeding Saturdays during the summer months, ceremonies would be held at parish centers in the various sections of the city. He said that the first such ceremony would be held Saturday morning, June 12 at St. Augustine's parish parking lot.

At this time, all boys and girls owning bicycles in that area are invited to attend a class which will be held at St. Augustine's. Bicycles will be checked to see if they have the necessary safety equipment and St. Christopher stickers with the remainder of the "SAFE CYCLIST" will be pasted on the handle bars.

For information concerning location of future bicycle blessings and safety check ups, call the C.Y.O. Office at BAKER 67-400 Ext. 1.
