

### Elmira AOH Bowlers Open Season

The Elmirian Bowling League, expanded to 4-man teams, opened its 1959-60 season Friday night, Sept. 18, at the Elmira K. of C. lanes.

Tom Sullivan, lead-off bowler for defending champion Cork, started the campaign off by throwing the first ball for a good spin hit.

Sullivan converted his spare, but when the night's action was over, the defending champs found themselves in the cellar. Mayo, the 1958-59 fallenders, captured three points from Cork to completely reverse last season's finish.

BOB SULLIVAN paced the winners with a 480 series, including a 180 game. Bill Burns rolled 467 for Cork, while Jack O'Mara posted a high of 167 for Cork.

The other two contests ended in a pair of 2-2 splits. Jim Powell, the hottest Elmirian of the night, shot a 549 series to lead Down against Meath. Jim had 201-194-155.

### Guidance Tests Given Nazareth Students

Nazareth Academy has administered the lower grades of Educational Development Test to 1414 pupils this week for the purpose of guiding students in their educational plans.

The method consists of nine separate tests, each of which deals with a different important area of the school program. They concentrate on basic intellectual skills, an understanding of and ability to use what has been learned, rather than on sheer knowledge of names, dates, and formulas.

Administrative staff in the school year, the tests make information available for use throughout the school year, according to Sister Agnes Cecilia, principal.

THE TESTS are designed to serve the primary purpose of facilitating the development of instruction and guidance to individual differences.
