The monophonic version is available in the poetically-named "Vox Bok" series at a list price of \$6.95, and I can't think of any better musical investment for the money.

The soloists, particularly the soprano and alto who have been featured recently in a series of superb baroque releases, are only once in a while.

In general, this group dem-onstrates next diction and phrasing, good dynamic range and control, fine pitch and exemplary "togetherness." Mr. Grischkat differs from other conductors occasionally on questions of choral tempo, but his ideas seem quite sound even when they are not quite tradi-

The choir often sounds better in sections than as a whole; for example, almost at random, the male voices introducing the "Gratias agimus" and the sopranos in the most magic of-
