Comrades Barry Banquet

'Keep The Faith -- For Others!' Fisher Head Tells Hibernians

"Keep the Faith... not for ourselves alone — but for others," Rev. Charles J. Lavery, O.S.B., president of St. John Fisher College said at the annual Comrades Barry Banquet in Manger Hotel, Wednesday of last week.

The banquet was sponsored by Monroe County Ancient Order of Hibernians and Ladies Auxiliary. Tribute to Hungarian religion as well as those of Irish descent featured the program.

Faith among other things is a recognition of God in all things, the college president said. While the Irish may not have built many monuments of brick and stone, the Irish have "erected in the hearts of men, the Cathedral of Faith, which can be transmuted across the world and across the oceans."

THE FAITH OF preserving a true humanism in the future is to keep the Faith, Father Lavery said.

"We must Christian education today to point out to man the

only principles whereby peace can be made possible. With the faith that is centuries old and true, we must dedicate ourselves to know these principles better," the speaker said.

He urged that it be demonstrated that man is not merely a natural being, but one who possesses a supernatural destiny; "that he must use his intellectual abilities to the fullest capacity — shun mediocrity, conformity."

Man must "train his will to recognize God and be obedient to His laws; that he must love and serve his neighbors not only as fellow citizens and members of the same nation but as fellow creatures of God."

REV. GEORGE S. WOOD, AOH Chaplain presented, Father

Lavery and City Court Judge Leo T. Minton was toastmaster.

A MUSICAL tribute to the Hungarian freedom fighters of three years ago was paid by Mrs. Virginia Bogdan Pados in several selections of Hungarian music. She was also heard in Irish numbers. Her accompanist was Mrs. Violetta Jelly.

Irish folk dances were presented by the Hibernian dancers and Irish songs were sung by the Misses Sheelagh O'Connor and Ellen Clifford.

County president Walter A. Anderson was general chairman and Mrs. Anna Shannon handled tickets. Mrs. Anna Newton, decorations.

UNICEF Aid Urged

United Nations — (UNC) — Greater cooperation with the United Nations Children's Fund (UNICEF) is the part of Catholic organizations was urged by Elizabeth Willott, Belgium's representative on the fund's executive board.

According to Willott, the health and education of the child are fundamental to the future of the underdeveloped countries. It is the obligation of the more favored countries to contribute to the welfare of these children, she said.

UNICEF has a unique role to play according to Willott, in partnership with other official and voluntary organizations. All their combined efforts are as yet insufficient to meet the health and welfare needs of millions of children throughout the world, she continued.

'Spread Your Faith' KC Mothers Urged

Corning — Rev. Theophane Murphy, S.A., told members of the Corning Council, Knights of Columbus, at a meeting last week, that the Knights' purpose should be to spread Catholicity among the Catholic men of the community.

Father Murphy, rector of St. John's Atoneement Seminary in Montour Falls, is the new chaplain of the Corning Council. He expressed pleasure over his new appointment, and told the Knights that their meetings must be timely to get a greater portion of the membership to take an active part in the organization.

Grand Knight James Bothe gave a report on the Columbus Day dinner and dance. He announced that a joint meeting of the Knights and the Ladies of Columbus will be held at 8 p.m. Monday at the home.

F. Dudley McLaughlin gave the weekly social report.

First and Second Degree ceremonies will be held on Nov. 1 at the home, and a Third Degree ceremony will be held on Nov. 15 in Elmira, it was announced.
