Clergy Warned On Politics Role
Lisbon—(RNS)—Manuel Gonçalves Cardinal Cerejeira, Patriarch of Lisbon, in a talk to his clergy, admonished them to "keep out of politics."

The 71-year-old cardinal received the priests after celebrating a Mass in the Lisbon Cathedral to commemorate the 30th anniversary of his elevation to the patriarchal See.

Declaring that "today the political temptation is terrible," he said that many priests have seemed to forget their mission is to "establish the Kingdom of Christ and not that of the world."

Object: This film presented in a quasi-biographical manner tends to elicit undue sympathy for the immoral relationship of the principal characters.
Happy Anniversary (UA)
Object: The light and farcical treatment of premarital behavior and of marriage itself is seriously offensive to Christian and traditional standards of morality and decency. In addition, the advertising of the film is highly suggestive.

"Shhh... the best back beer is aging here!"
That's right, Genesee Bock is "put to bed"—and aging away, nature's way. This natural aging (plus the extra-special back ingredients) makes Genesee the mellow, full-bodied, fun-flavored beer that bock connoisseurs look forward to all year long. But don't just take our word for it. This amber brew will be fully aged and on sale about January 1st. Taste it then—and see for yourself how delicious and smooth a beer can be.
