## C.Y.O. Parish Basketball Leagues

**By FRID BUSTACCIO**  
Action last week in the grammar school leagues spotlighted play at immaculate conception which took first place with a 39-37 win over St. Anthony's. Second place is up for grabs with Blessed Sacrament, St. Anthony's and Lourdes all with 72 records showing. The winner of the Blessed Sacrament-St. Anthony's game this weekend should decide a tournament berth.

Sacred Heart's grammar school team slowly moves into the tournament picture with an impressive 36-24 victory over Mother of Sorrows. Holy Cross will lead the White Division with an 8-0 start. Sacred Heart, perennial league champion, are finding the mark and should be tough from here out. Holy Rosary who holds a victory over the Red and White will play the Sacred Heart five this Sunday.

On the tournament side is the setup. Grammar school will have eight teams. Five from the city. Two first place teams from each city league, two second place teams from the city leagues. The two third place teams from each city league play to determine the fifth team in the tourney. There will be three out of town teams entered. First place team in Auburn league, first place team in Central District league. Two second place teams in each of these leagues play off to make it three teams.

The High School will have the same setup. The city teams should only consist of two out of town teams. The first place team in the Auburn league will enter tournament because Central District only has three teams in the league. Tourney is scheduled for weekend of March 18-19.
