"GOLLY GEE,
I Can't Save Enough For Nothing"

I just seem that way, you know, soon these pennies will be dollars. At the rate your mom and dad don't have to wait for something really beautiful in stores, walls or ceilings. "Crown Rochester" tile has the easiest term in town. And whether they choose to let our experts do it, or dad, if he's handy, does the job himself, they'll save dollars not pennies, all because our prices are lower than you'd expect for such quality brands and service.
