CYO In The News

Of interest to many people in the area that enjoy swimming and diving is a Diving Workshop to be held at the C.Y.O. Pool at 50 Chestnut St. on Wednesday evening, Feb. 24. This evening class, which begins at 8 p.m. and concludes at 10 p.m., will offer instruction and demonstration by two of the well-known diving instructors of this city, Miss Marlene Buehler and David Stall.

The C.Y.O. pool is one of the few pools in this community having both a one meter and a three meter springboard. Miss Buehler will concentrate on the work from the one meter board, and Stall will work on both low and high boards. Also, the film on diving "Springboard Techniques" will be shown.

THIS IS THE second of a series of Diving Workshops offered by the C.Y.O. At this particular workshop, emphasis will be placed on people who are learning to use a springboard, and those who are interested in improving their present ability and form in standard low and high springboard dives.

This workshop is offered to the public at a guest fee charge of fifty cents for each person whether they intend to participate or to observe from the Pool balcony.

The C.Y.O. Aquatic Director, Mrs. Jean Dolan, is also announcing a class in Senior Life Saving, to be held on Wednesday afternoons from 1:30 p.m. until 3:30 p.m. This course began on Feb. 17. However, applications will be accepted until Feb. 24, after which date the course will be closed to new applicants. For further information call Mrs. Dolan, BA 5-2707.

C.Y.O. Parish Basketball Leagues

By Fred Bulfaccio

St. Charles defeated Holy Cross 58-44 in a replay of their protest game, Thursday, Feb. 11. It looked like roses for the St. Charles five! On Sunday, Feb. 14, St. Stanislaus upset St. Charles 55-53.

Meanwhile St. John's of Greece won a big victory over Holy Cross 65-58 to end up tied for first place with St. Charles in the High School Northern Division.

Sacred Heart missed their big chance to overtake St. Monica's by losing to the unbeaten Mustangs in a hair-raiser 50-57. Blessed Sacrament now hover closer to the Sacred Heart five and will have a slight schedule advantage over Sacred Heart in determining a second place High School Southern Division finish.

In the Grammar School White League Holy Cross won their ninth straight dumping St. Charles 39-32. Holy Rosary made it two wins over Sacred Heart Cathedral by whipping them 29-25. Mother Sorrows, Holy Rosary and Sacred Heart will fight it out to determine second place and a spot in the tournament.

The Grammar Green League finds Immaculate Conception still hanging on to first place with a 50-34 trouncing of Mt. Carmel. Blessed Sacrament and Our Lady Lourdes are tied for second place with 8-2 records.

Big games this week should be the Immaculate-St. Anthony's tussle in the grammar green league. A win for Immaculate should wrap up the title. In the Grammar white league the Mother of Sorrows-Holy Rosary game should help decide second place. In the High school Southern league Sacred Heart's battle with strong Mt. Carmel should be a big one. Northern Division action should be the St. John's Greece-St. Salome's game. The Sea Breeze team fairs well against good opposition.

John Hamm Given Grant

John G. Hamm, a Niagara University senior from Rochester, has been named recipient of a $100 scholarship to the university, sponsored by the Rochester Chapter of the School's National Alumni Assn.

John W. Hart, president of the Rochester Chapter, in making the announcement, said that the purpose of the grant established in 1956, was to give financial assistance to a Niagara student from the Rochester area.

Selection is based upon scholastic ability, participation in extra-curricular activities, financial need and promise of future success. Nominations for the award are made by the deans of the various colleges and schools at Niagara.

Hamm, a graduate of Aquinas Institute, is the son of Mrs. Margaret Hamm, 114 Arrowhead Ave., Rochester. His father Gerald Hamm, is deceased.

PROMINENT IN campus activities, Hamm is president of the Rochester District Club at the university and is a member of the winged foot club, the yearbook staff, the Young Catholic Youth Organization and the nocturnal adoration society.

He will receive a bachelor of arts degree in June and plans to follow a sales management career.

THE WEEKLY NOTE FROM MR. PEPSI:
A life which encloses no learning is a tyranny surrounded by dead comprehension.
As he would open the cover of a book, man can open his mind to the thoughts and ideas of centuries. Yet, as after completing a book one realizes the ignorance he possesses, man also realizes that learning is endless. Plato recalls that even Socrates considered himself very ignorant.
Holding his sight, smell, taste, hearing, and touch in the palms of his hand, man can learn. The earth, its people, and the timeless solar system can be his instructor.
