Seneca Fall Sets Building Drive

Seneca Falls — Plans for construction of an addition to St. Patrick's School, to include 6 additional classrooms and any necessary renovation of present school, were announced this week by the Rev. J. P. O'Beirne, pastor.

Parishwide solicitation of fund pledges toward the project will be conducted next week by a committee of over 300 men to be headed by co-chairmen Francis J. Kouhan and Samuel Van Dittie.

Auxiliary Bishop Lawrence B. Casey will be guest speaker at a kickoff dinner slated for Saturday evening, May 21 in the school auditorium.

The first Catholic service in Seneca Falls was conducted in 1825. The old school building is about 30 years old and the addition to the school was built 30 years ago. Parish growth and depreciation of the old property necessitates plans for modernizing the entire school plant.

Professional council for the campaign is provided by Robert J. Zarley, a representative of Foley Investment, Inc.

21 Leave On Europe Tour

Faculty and students participated in a unique "Bon Voyage" ceremony on Tuesday afternoon for the 21 students, nuns and friends of Nazareth College who are taking the college-sponsored trip to Europe, by attending Benediction and reciting the liturgical prayers for travellers.

The group left Wednesday for the four week trip which will take them to some of the most fascinating cities of Europe. Under the personal direction of Dr. Virginia Otto, assistant professor of modern languages at Nazareth, they will visit Spain, Italy, France and England.

LEAVING THE Rochester airport by American Airlines to New York, they flew from Idlewild Airport on the Iberian Airlines in the late afternoon for Madrid, Spain, the first stop on the tour. Segovia, Toledo, and Granada are among the Spanish cities to be visited by the travellers.

The second week of the trip will bring the group to Italy. Holy Thursday, Good Friday, and Easter Sunday, will find them in Rome. An audience with the Holy Father is planned for Easter Sunday.
