

For the lady who looks at the kitchen first, every Schantz home kitchen is a delight to the eye . . . a masterpiece of labor-saving arrangement. Every factor has been taken into consideration . . . from the delivery, storage, preparation and cooking of food, to the serving and restoring the kitchen to order. Handsome, easily accessible cabinets . . . beautiful, built-in ranges and ovens . . . appliances in apple-pie order. The happiest meals come out of a Schantz kitchen!

Every Modern Feature!

Bathrooms are styled in exquisite, high-fashion colors . . . in lovely pastels or snowy white. All-copper plumbing assures long life with no corrosion whatever. Brass plated fixtures with triple plating of nickel and chrome.

One of the most distinctive features of Schantz Home bathrooms is genuine ceramic tile surrounding the tub. Installed by master craftsmen, you can depend on lifelong beauty . . . a perfect blend of the practical and aesthetic.
