

Probably the most important feature of every Schantz home is the living room. As the most important room in the house, it must be a unit in itself, completely integrated with the architecture as a whole. Schantz living rooms are designed with ease and grace, finally, in mind... capable of serving the individual who demands a quiet retreat, or the functions of a large group. They meet the requirements of the most meticulous decorator... they are completely compatible with the demands of the youngest, or the oldest, member of your family and your friends. They are built to be lived in.

## Schantz Offers The

Many Schantz homes include a "Family Room" for the individual needs of any member of the family whether it is "Hi-Fi", a second TV, a reading room, a writing room or a music room! This room can be a priceless addition to a home... a very necessary one to most. And since "first impressions" are so important, hallways, staircases, entrances, are as carefully considered as any other feature of the home. Moreover, fireplace addicts will find scores of designs to choose from... a wide selection to suit every taste, and every mood.
