THE LORD IS GOOD
TO THINK THAT MORE IN MEET TO THE SOUL THAT SEVENTH MEET. The truth of these words is proven to all of us. They are from the mouth of the Lord in the Sacred Heart of Jesus. FATHER LUKE MARIALI, pastor of St. Catherine of the Village of POZZORUSSO, in the southern part of SICILY, recalls a small Catholic community in a remote mountain town in Sicily. He says that the people of this town were very poor and in a way that was very sad. He says that the people of this town were very poor and in a way that was very sad. He says that the people of this town were very poor and in a way that was very sad.

REFUGES
During this WORLD REFUGEE YEAR, which is so drawing to a close, MUCH HAS BEEN DONE to help the million of people who are suffering from their homelessness. MUCH MORE REMAINS TO BE DONE, however, because the Refugee Problem is far from being solved. Of particular concern to us are the PALESTINE REFUGEE who are so much in need. A pamphlet entitled TWELVE YEARS IN EXILE tells the story of the Palestine Refugees in Palestine, the Mission of Christ which was established by Pope Pius XII and is being conducted by Pope John XXIII. If you have not received one of these pamphlets, we will be pleased to send you one on request.

NEAR EAST MISSIONS
THOUSANDS OF CHILDREN in the Near East are suffering from hunger and homelessness, want is next to the gates of death - for certain Catholic priests, sisters, and brothers, have been willing to devote their lives to the care of orphans in this section of the world, and for certain generous Catholics the world over have been willing to make the sacrifice necessary to finance this work as pleasing to God. If you wish to see ORPHAN'S BREAD CLUB you would be doing your bit to provide food for the little and needy of these children. Monthly dues are \$2.00 a month.
