**Nazareth Nun Designs  
Christmas Card Series**

With Christmas practically "just around the corner" the Art Department of Nazareth College is presenting a new selection of beautiful cards in keeping with this holy season.

SISTER MAGDALEN, chairman of the department, who has a Master of Arts degree in Art History from Boston University, and a Master of Fine Arts degree from the University of Notre Dame, is the designer of this new series of religious cards.

Sister has used modern designs and color in her treatment of the ancient Christmas story. Each card expresses in full measure, in illustration and message, the holy spirit of the anniversary of the coming of Christ. Eight different designs are included in each assortment of fifteen cards.

Although this is the first time that Sister Magdalen has offered a selection of Christmas cards, her religious cards for other occasions are displayed not only in Rochester, but all over the country in Catholic stores and campus book shops.

'Moving Up' Day Held  
By St. Mary's Nurses**

Three major events were celebrated in Moving Up Day Exercises at St. Mary's Hospital School of Nursing on Thursday afternoon, Sept. 8. A traditional cap-changing ceremony, a school salute to the new fifty-star flag, and the surprise celebration of the feast day of Sister Maria, Director of Nursing, were combined in a program which highlighted a week of welcome activities for seventy new Freshmen.

MISS ANNE ENGLERT, '61, presided over the convocation of student nurses, faculty, and hospital guests when junior and senior students received their new caps and stipes, and Freshmen received their class "benches." The addition of a stipe on a cap is significant of rank and new responsibility in the nursing school and in the Student Faculty Association which serves as its governing body.

A new fifty-star American flag was a highlight of the program. Miss Englert led the student body in the pledge of allegiance to the flag and the singing of the Star-Spangled Banner. The new flag, purchased by Sister Maria for use in the School of Nursing, arrived just in time for the special assembly.
