PART-IV  
Purpose of the Third Order Secular

The purpose of the Third is to make and more certain in life than the general law requires. It is twofold: it seeks first with some help? THE RULE OF THE Third Order leads its members toward a similar thought expressed by Paul Sabatier, a Protestant: "If there is to be a reawakening, it will not be real and effective unless it be undertaken in the Franciscan spirit." And again Leo XIII says: "We say 'Franciscan' because it is the spirit of the world to be saved through the Third Order from the Franciscan spirit."
