THE WEEKLY NOTE FROM MR. PEPSI:

Thirty short days left to nineteen-sixty! It's been quite a year for all of us... in foreign policy—the Summit collapse and the U-2 incident... in our 1960 presidential election—which history will prove to be unique... in our own personal defeats and glories—which will make 1969 when we will all remember...

In looking ahead, a year seems to be a towering of over three hundred days... in looking back, we can't even remember last new year's resolutions!

How quickly time slips ahead of us and, in trying to outpace it, we lose track of the greatness in a single day...
