### Two Nazareth Girls Take English Awards

Lynda A. Guldenschuh of Nazareth Academy and Vivian Gibson, formerly of Nazareth Academy but now attending high school in Philadelphia, have been recognized as outstanding students of high school English. The National Council of Teachers of English has named each of them a 1960 runner-up in its annual Achievement Awards competition.

### Academy Offers Two Grants

LAST SPRING a committee of English teachers from Nazareth nominated them to represent their school in the competition. Two tests, three pieces of composition, and two supporting letters from high school personnel were the bases used by a committee of state judges for evaluating nominees.

The NCTE sends to all winners and runners-up scrolls of recognition, to their high school departments certificates of merit for their effective instructional programs, and to all colleges and universities in the country the list of achieving students with the recommendation that they will be considered for appropriate scholarships. The Council also sends the names of these students to their respective congressmen and governors.

Lynda is the daughter of Mr. and Mrs. William B. Guldenschuh of 370 Ravenwood Avenue. She reported that the Honorable Jessica Weis, representative from the 38th congressional district, had sent her a letter of congratulations on her achievement in this competition.

Vivian Gibson is the daughter of Mr. and Mrs. H. Lou Gibson of 24 Barons Road, Vivian transferred from Nazareth to a high school in Philadelphia in September of this school year.

The Academy of the Sacred Heart is again offering two scholarships valued at \$1,200 each (\$300 a year) based on the recommendation of the principals and on competitive examination to be held Saturday, March 4, from 1:30 to 3:30 p.m.

IT IS EXPECTED that the candidates be honor students capable of maintaining an average of 85 per cent in all their subjects.

If the scholarship is won by an applicant who wishes to be a resident student, the scholarship award will be credited to the resident tuition fees.

Application should be made by letter or phone (BRrrowing 1-1100) between 4:30-5 p.m. daily, not later than Feb. 20.
