### The following facts are published without comment.

Last year the Protestants of the United States contributed \$157,400,000 for their foreign missions. This represents a Protestant per capita contribution of \$2.75 each, which is \$2.49 more than the Catholic per capita contribution to the Holy Father for all the Missions of the world.

The North American foreign missionary force numbers \$7,219. The Catholic missionaries from the United States number only 7,000.

The Methodists send 1,580 members to their missions; the Seventh Day Adventists 1,385; the Southern Baptists 1.377: the United Presbyterians 1.356. The largest number of missionaries from any one Catholic religious society or "institute in the United States is from among the Jesuits. They have 817 in Mission lands.

The Protestants are particularly generous in supporting foreign mission work. The Methodists, for example, gave in all about \$15,000,000; the Lutherans about \$15,000,000; the Presbyterians \$10,845,000; the Seventh Day Adventists \$12,000,000.

As regards supporting the Missions, the Seventh Day Adventists lead all Protestant groups. Their members number only 400,000, but each member contributed \$28. The Methodists gave \$8.52 each and the Evangelical Free Church \$14.40. We do not know how much each individual missionary society receives for its foreign mission work, but we do know how much the Catholics of the United States give to the Holy Father who asked that in missionary giving he be "first and principally aided." Last year he received 27 cents per Catholic or \$27.74 less than what each Seventh Day Adventist gave.

For those who have the Eucharist and the other blessings of the Falth and who would like to equalize differences in the name of Christ, send your offerings to the Holy Father through his Society for the Propagation of the Faith.

### Gregorian Masses

THIRTY MASSES celebrated on thirty consecutive days for a deceased person - these are the GREGORIAN MASSES, named in honor of Saint Gregory the Great. Have you ever had Gregorian Masses offered for your deceased loved ones? You can, if you wish, arrange now to have these Masses said for yourself after your own death; or you can arrange now to have them said for a living relative or friend after his or her death. On request we will be happy to send you information about Gregorian Masses.

NOT MERELY BY PREACHING but by the example of their lives devoutly lived, MOUFID AZER and NABIL SCANDAR will one day exhort their own countrymen to more holy living. They are now studying for the priesthood at the seminary of Saint Loo the Great in Egypt. As ordained priests Lee the Great in Egypt. As ordained priests they will channel to their flock, through the sacramental system of our holy Church, all the graces needed by the people under their the graces needed by the people under their care to lead holy and devout lives. It will cost \$600 to prepare each of these boys for the priesthood. Could you pay for the education of one of them?

#### ALWAYS NEEDED MASS INTENTIONS FOR OUR MISSIONARIES ALWAYS APPRECIATED.

GOD MADE US both body and soul-and all of those who dedicate their lives to God as priests, sisters, and brothers,

have an acute awareness of the needs of both body and soul. SISTER HILDA and SISTER VIOLET are novices of the MEDICAL SISTERS OF SAINT JOSEPH in INDIA. They will spend their lives in the care of the sick - by the care they take of sick bodies they will bring healing to many souls. It will cost \$300 to train each of them for their work as profeesed sisters. Could you assume the obligation of paying for the

training of one of these girls? THE MORE MEMBERS we have in each of our MISSION CLUBS, the more and better help goes regularly to the Missions. Will you consider joining one of these Clubs? The dues

are one dollar a month.
