Missions Promoter Bishop Dies

The prelate who headed the nation's Propagation of the Faith Society for 27 years and has been coadjutor bishop of Wheeling, West Virginia since 1951, died suddenly Saturday, Feb. 25.

Bishop Thomas J. McDonnell, who visited Rochester mission events on several occasions, was nationally known for his promotion of interest in the Church's world-wide apostolate for souls. Throngs filled St. Joseph's Cathedral for his funeral.

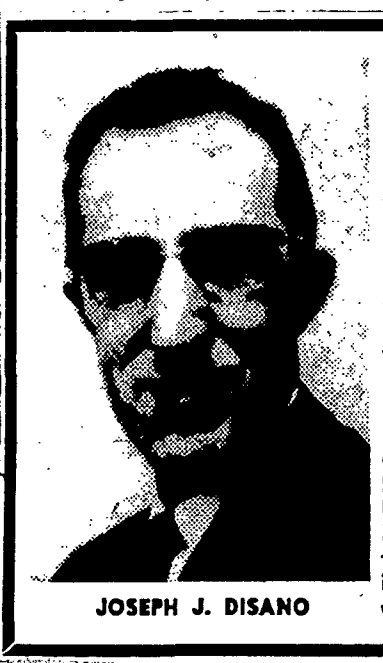

THE EVENING prior to his death he awarded trophies to young athletes of his diocese to climax a basketball tournament. The 66-year-old prelate, a native New Yorker, was ordained in 1919 and made a bishop in 1947.

He represented American bishops at the 400th anniversary rites honoring St. Francis Xavier in Japan in 1949 and then in Seoul, Korea, consecrated Auburn's Bishop Patrick J. Byrne to the hierarchy. Bishop Byrne was later jailed by Korean Com-

munist and died in their prisoner. Bishop McDonnell held several honorary degrees and two years ago received the Damien-Dutton Award for his programs of mercy to aid leprosy victims.

Nurses Hear White Father

The Rev. Sebastian Jongerius of the White Fathers of Africa, spoke to the assembled student body and faculty at St. Mary's Hospital School of Nursing on Monday, Feb. 27, in the school auditorium.

FATHER JONGERIUS explained the role of the missionary in regard to Africa today, particularly stressing the vocation of the lay mission helper.

"Even if you do not have a vocation to the religious life, you may have a very genuine missionary vocation," Father Jongerius stated, and cited the work of Dr. Tom Dooley as exemplary of the lay missionary call.

Father Jongerius also spoke to an assembly of graduate nurses on the Hospital staff earlier in the day.

This man escapes taxes that you have to pay

He's not dishonest—or doing anything illegal. But present federal laws give him and many other people an unfair tax advantage over you and most Americans.

Here's how:

More than 20 cents out of every dollar you pay for electricity goes for taxes. But under present tax laws, several million families and businesses escape paying most of the taxes in their electric bills that you pay in yours. They are people whose electricity comes from federal government electric systems. Unlike you, these people pay no federal taxes at all and little or no state or local taxes in their electric bills.

What's more, the taxes they escape have to be made up by other people—including you!

Most Americans believe everyone should pay his own fair share of taxes. How do you feel about it?
