

GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

Lady in the missions! It seems to have a modern ring. But actually it is apostolic. Did not pious women follow Our Lord and the Apostles during His public life? Did not a lay woman intercede for Him at Pilate's court and a layman help carry His cross? Was not a layman from Colossa the bearer of a message to Paul while he was in prison? Did not a married couple teach catechism to the learned Apollos? Did not the laity goad Peter and John into action at the Resurrection? Was it not from the house of the business woman Lydia that the conversion of Europe began?

There are various ways in which the laity can serve the missions.

1. By awakening in others an interest in the missions and by collecting alms in offices, factories, neighborhoods for the Holy Father. We say the Holy Father because you must be Catholic in your aid, that is, you must aid all missions, all areas, all societies equally by contributing to the Holy Father through his Society for the Propagation of the Faith.
2. By praying for the missions, by offering your trials and crosses in reparation for the sins of the world.

3. By offering yourself to a missionary bishop through the Society for the Propagation of the Faith.
4. By entering one of the lay missionary institutions which prepare the laity for the missions. The number of these institutions in different countries is as follows:

Belgium 10	Spain 3	Germany 3
France 11	South America 3	India 4
Ireland 2	Australia 3	Austria 1
Italy 12	England 2	Canada 2
Luxembourg 2	Holland 7	Portugal 2
United States 15	Switzerland 5	

Here are some points to consider before applying

1. Do not go to the missions because you cannot find a husband or a wife.
2. Do not offer yourself to the missions because you think they are romantic. One couple journeyed to a foreign mission, took one look at the poverty and returned home the next day.
3. Offer yourself only because you want to be a witness to the Truth of Christ.
4. Consider what you have to offer. Do you have a skill or a profession, such as a teacher, medical doctor, dentist, nurse, architect, electrician? If you are just mediocre, forget about being a lay missionary. Second-raters stay at home. Only first-raters and those who want to be saints are good enough for the missions.

In the days of the Crusades thousands left their homes to fight for the land where Our Saviour died; this new Crusade is one in which the laity leave their homes to make Africa and Asia Holy Lands. If you are unable to go, at least send a sacrifice to the Holy Father. Help him first. Be Catholic. Be mindful of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 1, New York.

GOD LOVE YOU to Mrs. J.V.D. for \$6 "I am denying myself several trips to the beauty parlor to help the missions." to Mr. L.E.C. for \$5 "Since you are one of the few men on T.V. who does not carry a gun, here is a donation to purchase a side arm (for the poor of the world)." to T.K.M. for \$5 "I am a high school senior offering thanks to God for a wonderful home, land and Faith. May this donation help bring the same benefits to mission lands."

If you are interested in missionary activities throughout the world will want to read **MISSION**, a bi-monthly publication featuring stories, pictures and details of our Holy Father's missions. Send a request to be put on our mailing list along with your sacrifice.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 1, N.Y. or your Diocesan Director, Rev. George S. Wood, 50 Chestnut Street, Rochester 4, New York.
