

GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

The other day we met a young Korean priest who had three times been led out by the Communists to be shot. He had been betrayed to them by a fellow seminarian—a Judas in Gospel language, a Communist agent in modern parlance. But three times and on three different occasions the guns of the Communist executioners failed to go off; they would not work.

It was a kind of resurrection from the dead and reminds us of how often a wonder, a miracle or peace occurs after three days, such as the Resurrection. How many Old Testament prefigurations there were of the Resurrection! After three days Abraham received back his son Isaac, even as God the Father offered His Son in sacrifice; in three days Pharaoh's butler was restored to his place of honor according to a dream; after three days Jonas came forth from the belly of the whale—a type of Our Lord's own Resurrection after being "three days and three nights in the heart of the earth"; for three days Paul was blind and then restored to the marvelous light of Truth. We find many other such figures before coming to that which they prefigure: "On the third day He rose from the dead."

As we struggle, beg and plead for the missions, these thoughts about Calvary and the Resurrection flood our souls. How many hours, O Lord, must there be to a "day" in the missions? When will the three days of crucifixion and death end in North Korea, Northern Vietnam, China, the Congo and all the other Golgothas of the world? Who shall "roll back the stone" that the Caiaphases and Pilates have rolled before the tomb of the Church? It cannot be that these people have not suffered; it must be that we have not shared enough in their tragedy; it must be that we are not standing beneath their Cross in sympathy? Are there enough Johns—priests leaning on His Bread in the Mass and making up for the eleven who shrink from the Cross? Are there enough Marys of Cleophas—mothers who are willing to give their sons as disciples and missionaries? Are there enough Marys who are willing to leave the lights and glimmers of the world for the shades and shadows of the Cross where saints are made?

If the days are long, if persecution lingers, if the Resurrection of the Church in mission lands is not yet here, might it not be our fault? Have we "distressed God's Holy Spirit whose seal we bear"? What can I say to you to inspire you to give just a penny a day to help the Holy Father? For if you gave only that penny daily it would amount to \$3.38 more than the average Catholic now gives to the Holy Father in a year through his Society for the Propagation of the Faith. Hasten the arrival of the "third day." Send your sacrifices through us to the Pontiff. He, in turn, sends the Sacred Heart to the poor of the world.

GOD LOVE YOU TO M.A.H. for \$70 "in thanksgiving for favors received." . . . to A.K. for \$281 "This donation represents the vacation I had to forego last year. Use it to aid missionaries, who I'm sure have to forego many holidays." . . . to M.C.G. for \$5 "I promised Our Lady to help the missions if she'd help us find a new home. We just moved in."

OUR LADY OF TELEVISION statues are back in stock, newly constructed of unbreakable white plastic with gold-colored cross and halos. This 11-inch figure of Madonna and Child reminds us that as Mary brought forth the Divine Word, so television projects the human word. Send an offering of \$3 with your request for Our Lady of Television so that the words of men may make known the Word of God.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 368 Fifth Avenue, New York 17, N.Y., or your Diocesan Director, Rev. George S. Wood, 50 Chestnut Street, Rochester 4, New York.

India Honors Blessed Martin

Ernakulam, India — (RNS)— Various incidents in the church depict India's first church in honor of the 17th century Peru.
