GOD LOVE YOU!
By MOST REV. FULTON J. SHEEN

Is this not true? The closer we get to one another through rapid communication, the farther apart we become as loving neighbors? We are in contact with everyone in the world, but do we love? You live on the same floor in an apartment with thirty-odd people. Yet you know less about them than about some singer whose image appears on your television screen. You sit in a movie house with hundreds of humans, laugh at the same comedy, weep at the same tragedy. Yet you never speak to your neighbor because he is a "total stranger."

The answer is not "togetherness," because the crowd is a place in which to lose ourselves, not to find our true nature. Nor is it to make contact with others, for others may not want to be contacted. The remedy is to make ourselves disposable for others by "emptying ourselves," as Our Lord emptied Himself of His Glory to take on the burdens, the sins and the ills of humanity. We must make a prairie of ourselves, and we will find that others will come there to dwell; we must make an inner silence in our hearts, and the wounded will whisper to us. In a word, we must become "expendable" for the sake of others.

Our Lord told us to "make friends," and in the strangest of all ways — He told us to do so with our money. Listen to His words: "And my counsel to you is, make use of your base wealth to win yourselves friends, who, when you leave it behind, will welcome you into eternal habitations." He did not mean we should use money to make earthly friends by dining them on the company's expense account. He did mean we should use money to make heavenly friends, namely, those whose prayers will help us save our souls.

Just suppose you decide to build a chapel, a church or a cathedral in a part of Africa or Asia where one never before existed! Suppose you gave money to the extent of \$2,500 or \$250,000 in the name of the Sacred Heart Who loved us unto death. Think of the thousands of converts that would be made in the course of a few years. I know a lone place in Africa where there were no Catholics only 66 years ago when the first straw-hut chapel was built for the people. Today there are a million Catholics.

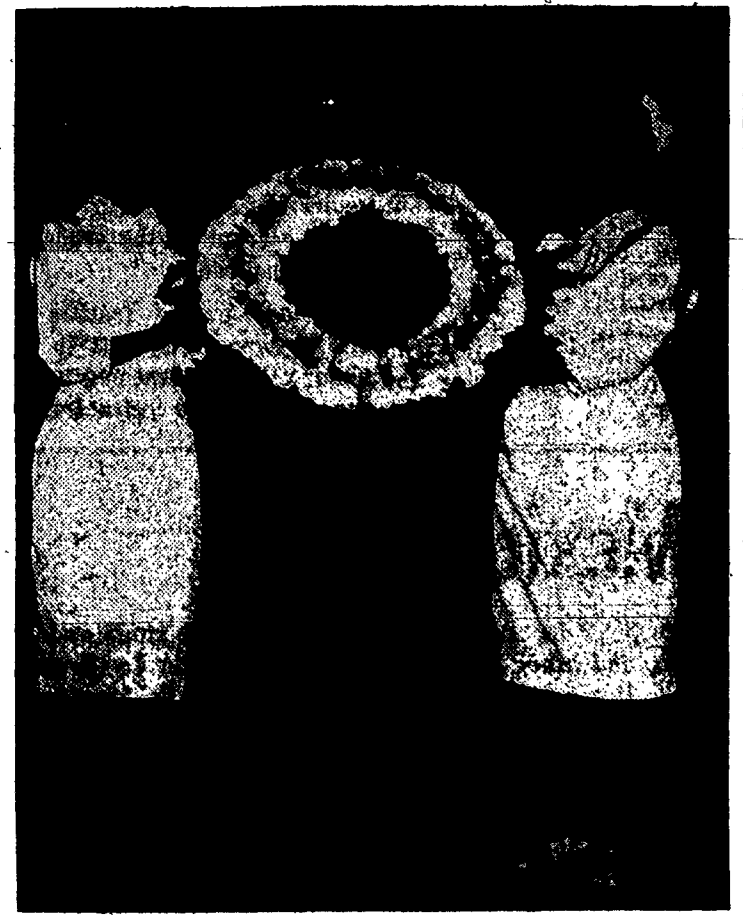

If a drink of cold water given in the name of Our Lord is not without reward, then what a vast army of heavenly intercessors you will have in heaven if you build a chapel or a cathedral. Make friends in this way—you will need them on Judgment Day. It is nice to know the Judge when you appear before Him on trial. And the Divine Judge is easily moved to mercy.

Send your sacrifices to The Society for the Propagation of the Faith, and we will send them to the Holy Father. Allow him to decide where the chapel will be erected — if it is a cathedral we will ask the Holy Father to let you know the exact place. Please let us hear from you.

GOD LOVE YOU TO D.O.C. for \$1 "I am sending this for the poor of the world. I got it from the fairy last night for my tooth that came out yesterday." . . . to J.L.W. for 1.25 "This is my offering for half a mission chapel. I hope you have better luck in finding the other half than I had." . . . to A.V. for \$5 "I promised that if I were accepted in nursing school I would send this donation. The very next day I received the letter of acceptance."

OUR LADY OF TELEVISION statues are back in stock, newly constructed of unbreakable white plastic with gold-colored cross and halo. This 11-inch figure of Madonna and Child reminds us that as Mary brought forth the Divine Word television projects the human word. Send an offering of \$3 with your request for Our Lady of Television so that the words of men may make known the Word of God.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 395 Fifth Avenue, New York 17, N.Y. or your Diocesan Director, Rev. George S. Wood, 20 Chestnut Street, Rochester 4, New York.

NURSES CAPPING ceremony was held Sunday at Nazareth College. Participants included Miss Patricia Smith, left, named the outstanding student nurse of New York state at the convention of the Student Nurses Assn., and Miss Jean McLeod, president of the college Nurses Club.

Nurses Caps Presented To Nazareth Students

Nazareth College sophomore and senior student nurses marked the beginning of a new phase in their professional career on Sunday, May 14. Bishop Kearney offered the Mass and presided at the traditional Mother's Day ceremonies. This also included a special tribute to the students' mothers.

The sophomore students, who will begin two years of clinical study at several clinical agencies, wore their student uniforms for the first time and received their white caps from Sister Helen Daniel, president of the college, and Sister Margaret Mary, chairman of the Nursing Dept.

The senior students, who have completed their studies, wore

the black-banded cap and white uniform of a graduate nurse.

Each sophomore receives a lighted candle from a senior nurse, as a symbol of the passing-on of the profession. These were then placed in a candelabra before Our Lady's altar as a dedication of all their future actions as a nurse to the Blessed Mother. The sophomores recited the Pledge of Fidelity to Duty while the Seniors renewed this vow.

After Mass, a wreath, donated by Bishop Kearney, was placed on the altar, in honor of all the mothers of the students.
