

ANNETTE SANSONE

### College Sophomore Awarded Fellowship

A Nazareth College sophomore has been awarded a National Science Foundation undergraduate fellowship for work at Buffalo's Roswell Park Memorial Institute this summer.

Annette Sansone, a chemistry major at the college, will spend this summer as she did last, working in the institute's blood bank and clinical laboratories. Just last week she was cited by the institute for giving 447 hours of volunteer service during her summer vacation.

Miss Sansone, whose home is in Buffalo, was honored during the institute's fifth annual recognition and awards program. Her hours of service were the greatest of the 31 students who completed 80 hours or more during a summer vacation. All the students received teen-age gold service pins.

Miss Sansone hopes to do research work after graduation from Nazareth.

### Officers Named At Niagara U.

Niagara University — Roy M. Scalera, 31 Miller St., Rochester, a sophomore in the College of Business Administration at Niagara University, has been elected president of the school's Rochester District Club.

Others elected were, David W. Lincoln, 166 Elm Grove Rd., vice-president, John W. Gouldrick, 98 E. Main St., Victor, secretary, and Paul H. May, 25 Lexington Dr., treasurer. Lincoln is a junior and Gouldrick and May are sophomores. All are enrolled in the College of Business Administration.

### Parents Club Lists Communion, Supper

Final plans for Communion and supper to be held on Sunday, May 21 were made at the last meeting of the year of the Parents Group of Holy Childhood School, May 9. Mass will be celebrated at 5 p.m. by Rev. George S. Wood, school moderator, followed by supper at 6:15 in St. Joseph's Hall. Rev. Donald Mulcahy will be guest speaker.

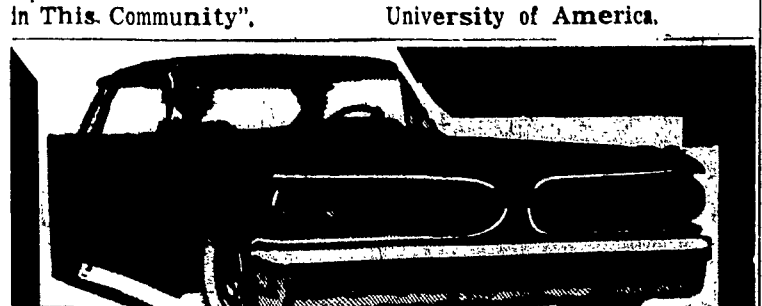

Plans were also made for the annual school picnic to be held Tuesday, June 6, at Willow Point Park. Mr. and Mrs. Frank Frankunis are chairmen.

A social evening followed with refreshments served under the chairmanship of Mrs. Ernest Harrison and her committee. The public is invited.

### Summer Post To Math Teacher

Washington — Norman Walter Laudist, teacher of mathematics at St. Andrew Seminary, Rochester, has received a stipend to attend the Summer Institute for High School Teachers of Mathematics given by The Catholic University of America with the support of the National Science Foundation, July 3 to Aug. 11.

The Institute is aimed at strengthening participants' mastery of mathematics and to provide training in modern aspects of the field. It is under direction of Dr. Raymond Moller, Director of the Department of Mathematics at The Catholic University of America.

## Genevans Open Fund Drive

Geneva — The men of the St. Francis de Sales Parish began visiting families in the parish following the solemn opening ceremonies of the campaign on Monday, May 1.

Auxiliary Bishop Casey addressed and blessed the campaign workers. Following the ceremony, the men workers received their assignments in the school hall.

The active solicitation phase of the program will conclude the first week of June but the entire parish program will last for three years.

According to Joseph Felice, general chairman of the committee, over 200 men are working on the campaign to assist Rt. Rev. Msgr. Edward K. Ball, V.F., pastor, in providing for the success of the present campaign for increased weekly income.

"The musical background and sound effects help to create the sense of reality and immediacy. The set is ideal for catechetical instruction in the school and in the home. It also provides an excellent introduction to meditation and contemplation."  
Father James Lynch  
Messenger of the Sacred Heart

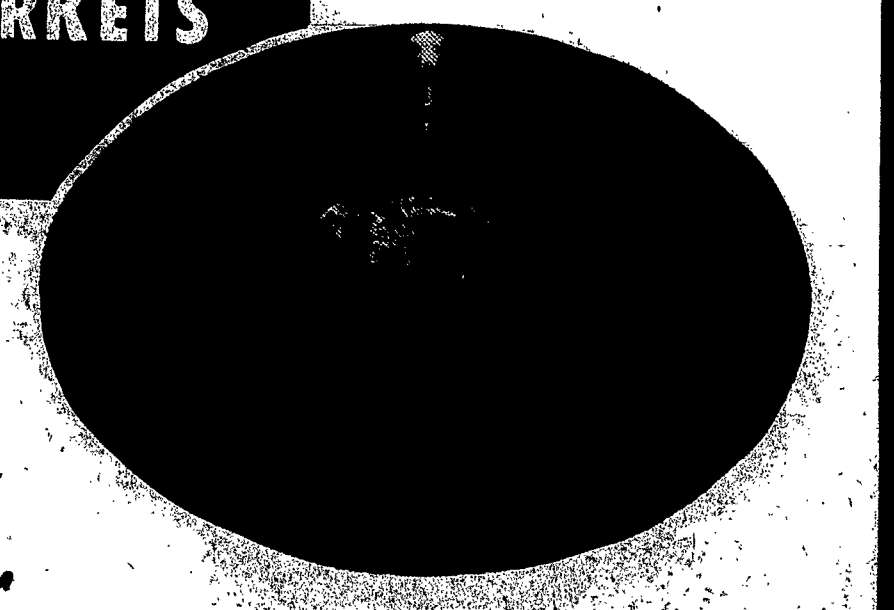

"They are done reverently, tastefully and dramatically. These records seem especially suitable to young people, who could hardly find a better introduction to the Bible. However, adults . . . will find them inspirational and delightful, too."  
Father C. J. McNaspy, S.J.  
America Magazine

" . . . excellent. They should have a great appeal to both children and adults and are deserving of the widest usage and distribution."
