

ST. JOHN FISHER College former placement director, Richard J. Cappon, left, is shown with his successor, William K. McLaughlin.

## Fisher Names Placement Head

William McLaughlin of 167 Barbary Terrace, has been appointed Placement Director, Director of Alumni Relations and Assistant in Admissions at St. John Fisher College. He will succeed a fellow Fisher classmate, Richard Cappon, 40 Hancock Street, who has resigned to accept a position in Montreal as Director of Personnel for a national firm of accountants.

McLAUGHLIN, a former history teacher at Brockport Central School, has recently returned from Germany where he spent six months in the employ of the Stromberg Carlson Company. A graduate of the 1956 class of St. John Fisher, he intends to complete the requirements for a Masters Degree in Education at the University of Rochester.

Cappon has been Placement Director at St. John Fisher for three years. Prior to that he was Assistant Placement Director at the college. He will assume his new duties with McDonald Currie & Company, a Canadian professional firm of accountants on Sept. 1. In addition to over-

all personnel responsibilities, he will coordinate a national recruiting system in the colleges and assist in the administration of a training program to prepare recruits for their Chartered Accountant Certificates.

Cappon is married and the father of three children.

## 700 Attend Pinewood Derby of Geneva Cubs

Geneva—Cub Scouts of "St. Stephen's" were hosts to 700 Cubbers and parents in DeSales Gym for the first running of the Keseca District Pinewood Derby. Sunday, May 7.

The Cub Scouts of the Keseca District were commended for carrying off one of the largest events ever attempted of this size for Cubs in New York State.

ROBERT DUNNING of Dresden, a fourth grade pupil at Penn Yan Central School, came in first with the fastest car in the Keseca District Pinewood Derby. His miniature car, weighing less than five ounces placed first in the final heat at DeSales High School Gym.

Dunning who carried the colors of Pack 82 of Dresden, sported the number 12 and placed first twice in preliminary heats; but was lucky to place third in the semi-finals elimination contest. Dunning's car, however, won easily in the Championship Finals.

Second place honors in racing went to David Merchant of Pack 74, Waterloo and Third place

went to Richard Butler of Pack 81, also of Waterloo.

THE RACERS, modeled after the latest racing cars of today and tomorrow, raced over a standard 32 foot elevated track. Several of the races had to be rerun because of dead heats.

Geneva Cubs walked away with first and second places in the Design class, based on good craftsmanship and ingenuity.

John Abel of Pack 7 Geneva took first place for the best designed car with second place going to Erick Rositter of Pack 2 Geneva and third place going to Carl Myers of Pack 75 of Romulus.

A total of 78 boys, 39 in each class, competed in this Cub Scout "Spectacular" and 13 of the 16 Packs of the Keseca District.

Scout officials later stated the program "was very successful."
