GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

What did Our Lord mean when He said to the Pharisees: "Woe to you, because you will award to God his gifts, though it be of mint or dill or cummin, and have forgotten the weightier commandments of the law, justice, mercy and honor."

The primitive law of Moses directed that a tenth of the income should be given to the service of God in His Temple, such as the products of corn, oil and wine. But the Pharisees who gave excessive attention to tiny little details extended the obligation to the smallest of garden herbs, such as the mint and the rue. What Our Lord finds fault with is the substitution of the little duties for the higher ones.

Our Lord warns that we may be doing the little without doing the great, fumbling around with things we like instead of being concerned with the judgment and the charity of God. Our Lord would not have us as little reformers, going up and down the world, seeing where we can patch up its broken walls and repair its broken glass. Until we save souls, we save nothing. Until we regenerate hearts, all of our little external programs amount to naught. Our Blessed Lord said: "I stand at the door and knock." He knocks because He cannot begin on the outside. Hum is not external. He must start inside of the heart of the house and work from the center out to the circumference.

How many Catholics are wasting their money on the rue and the mint, giving generously to fringe movements, to spiritual side shows, while offering only 27c a year to the Holy Father to help convert the two billion pagans of the world? We worry about a trivial political being a fellow traveler of Communism, and yet we do nothing to bring the Eucharist and Redemption to the souls of the Africans and the Asians in order to stop the onrush of the Anti-Christ.

Unless a soul is saved, nothing is saved. The salvation of souls is the business of the Holy Father's Society for the Propagation of the Faith. Give to him who has care of all the Missions. As soon as your heart is converted to the Love of God, it will be inverted to The Society for the Propagation of the Faith.

GOD LOVE YOU to A.M.C. for \$25 "When I retired promised to send you \$25 each year for the Missions. This is the first check in fulfillment of that vow." . . . to H.L. for \$30 "In thanksgiving to God and His Blessed Mother for the healthful relief granted to my father." . . . to Anonymous for \$10 "May this small donation be used to help someone in the mission lands become a priest."

We'd like to take you to Europe — via the **WORLD-MISSION ROSARY**. The white decade of this multicolored rosary represents the European mission fields where the Holy Father is searching for his lost sheep. By paying the **WORLD-MISSION ROSARY** you will help bring them back to the flock. Send your request and an offering of \$2 for this rosary blessed by Bishop Sheen.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 17, N.Y., or your Diocesan Director, the Rev. John F. Duffy, 80 Chestnut St., Rochester 4, New York.
