Friday, August 4, 1961 Speech Therapy

COURIER JOURNAL

The Hearing and Speech Center of Rochester will offer an intensive speech therapy program for pre-school and kindergarten age children from Sept. 5-15. All children enrolled will be given speech help every day during this period and each will be given a hearing test.

Their parents will be invited o attend workshop sessions on such subjects as speech development, discipline, and hearing conservation. The program is open not only to children with speech problems but also to youngsters with adequate speech whose parents are interested in strengthening speech development.

As enrollment is limited to twenty-seven, interested parents are requested to call HA 6-2636 immediately for further information.

# Why juggle Policies. Companies. Agents? PROTECTIONEERING fits your Insurance Needs into one Easy-to-Handle Program!

Aside from the inconvenience, buying insurance piecemeal can expose you and your family to needless financial risk. Insurance bought bit by bit can be wastefully expensive. . . . Causing you to pay for the same coverage in a number of different policies . . . Or leaving you "high and dry" with coverages too limited and too dated to meet your current protection needs.

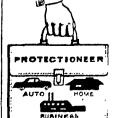

## New Plan Saves Money, Ends Needless Risk and Waste!

Recently the Utica Mutual Insurance Company introduced a new note in insurance planning. Its name, PROTEC-TIONEERING, Its aim, to provide personalized Auto, Home and Business protection - all the coverage you; need. but only as much as you need - - in one "made-toorder" program.

Under this plan you cut costs by buying your insurances; more efficiently . . . and through Mutual Savings. You also get the benefit of dealing with a nearby Utica Mutual "Protectioneer" . . . a man who makes sure your program is broad enough to meet your current requirements . . . flexible enoughto keep in step with your future needs
