DON'T SAY "AUTO REPAIR" SAY "FREAR"  
Residents of the Town of Greece are lucky, that is, in my estimation. They don't have to go far to get safe, reliable auto repair, promptly and economically done. Work ranges from lubrication to complete body and fender repair. I've spent 25 years servicing and can definitely state that Frear heads the list. Where requested, they operate a pick up and delivery system.  
FRANK BARBER Service Manager  
Frear's Service Department has 19 mechanics, many of whom are factory trained. It has one of the most complete stocks of genuine Chevrolet parts in Monroe County.  
The majority of Frear customers are regular... they come back year after year. Frear operates on the General Motors principle of Guardian Maintenance which means briefly, have your car inspected regularly, preferably in the same shop, and you'll save plenty of money.  
I know one thing... if you try Frear service... you'll want to stay with it indefinitely. Come in soon... ask to see Frank Barber.
