## GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

In the life of everyone, Christian causes for gladness exceed causes for melancholy, particularly when one dwells on the mercies of God and our own unworthiness. One wonders if more of our prayers would not be answered if we turned them into acts of thanksgiving rather than making them petitions. The little flower suggests this to be true, for gratitude makes God more ready to bestow graces on us. And St. Paul tells us to "give thanks to God for all things."

We dedicate this column to thanking God for your kindnesses to the Holy Father on Mission Sunday. We keep in remembrance the priests who reminded you that there are 569 religious communities and institutes doing Mission work for the Church and that the only means the Holy Father has to equalize distribution to all of them is through his Society for the Propagation of the Faith.

We praise the living kindness of the faithful who made extra sacrifices to increase our annual offering of 27 cents a year to the Pontiff for the Missions.

We hear in our hearts the tiny acts of self-denial, such as those of the pupils in two St. Louis high schools who averaged sacrifices of \$11 each per school year for the Vicar of Christ.

Our heart thrills to our Diocesan Directors who know so well that, although there is a Mission Sunday for the Missions, there is also a Mission Monday, a Mission Tuesday, etc., for the missionaries. These devoted men and women spend themselves every day of the year for the glory of God in Africa, Asia and elsewhere.

Nor are we unmindful of, but rather thankful for, those who give the Holy Father nothing for his 200,000 missionaries. Magdalene probably gave nothing the first time she heard Our Lord; the woman at the well was hesitant throughout a long conversation with the Lord; Zachaeus was merely curious as he climbed a tree just to watch—but they all came through in the end. So will those who give nothing now. They know our address and, God Love them, maybe "the last shall be first."

Above all, we thank Our Lord and His Vicar on earth, the Holy Father, for calling us to this noblest of all work—the fulfilling of the mandate of Our Lord: "Go make disciples of all nations." It is consoling to love a parish, a diocese, a state or a nation, but it is exhilarating beyond words to love all peoples, all races, all religious societies. Abraham, when he had not a foot in the Promised Land, built an altar and offered thanks to God. Though The Society for the Propagation of the Faith may not be in all lands, we thank God that it is advancing. And it will advance more as we live out the inescapable message to reveal the Wounds of Christ's Passion in our lives that we may share in His Glory. (All those who are thankful for having been thanked and who wish to show it may do so by sending their sacrifices to The Society for the Propagation of the Faith!)

**GOD LOVE YOU** to D.J.N. for \$5 "This represents my World Series winnings which I want the Missions to have." ... to Mrs. F.F. for \$25 "I promised a contribution to the Society if I regained my health." ... to Mrs. A.V. for \$50 "On our fiftieth wedding anniversary we would like to donate this \$50 to help the poor."

Thank God for His many blessings by offering up the WORLDMISSION ROSARY for the underprivileged on five cog-tuffens. These multicolored beads remind you to pray for the suffering throughout mission lands. Send your request and an offering of \$2, and we will send you this rosary blessed by Bishop Sheen.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 17, N.Y., or your Diocesan Director, the Rev. John F. Duffy, 50 Chestnut St., Rochester 4, New York.
