

Mothers Honor Nuns With Tureen Supper

Besides the president, officers are Mrs. Edward Michaels, vice president; Mrs. John McDonald, treasurer; Mrs. William Dintan Jr., secretary.

During the program all of the teachers of the school were introduced.

The Rev. Raymond P. Nolan, pastor of St. Stephen's Church, welcomed the group and encouraged them to continue their interest in the school. He spoke briefly on the necessity of cooperation and understanding between parents and teachers in solving problems that may arise with the children.

CDA Mission Projects Aimed Around The World

The Mission Committee of Court St. Rita No. 137 Catholic Daughters of America under Miss Margaret Riebel, chairman, has been working on several projects in Elmira.

At the request of the Rev. Harley A. Baker, Chancellor of the Diocese of Juneau, Alaska, members are making three complete sets of vestments.

Money for the material has been donated by friends and court members who wish to have the vestment given in memory of a family or an individual.

THE GROUP is also preparing hospital gowns, bandages, and pads which are sent to the LaSalette Mission in Burma by the Rev. John G. Toner, Mission Procurator of the LaSalette Missions, at East Bloomfield, Conn. Plastic bags and bottles, jewelry, religious articles, and light weight clothing are also collected for the Burma Missions.

Materials, worn sheets, pillow cases, towels and men's shirts are donated for this project.

Rosaries are being made by a member from beads and chain which was given to the committee. Part of the equipment, the coter, necessary for this project was given by a friend.

Clothing in clean and usable condition is collected, sorted, and sent to various missions according to climatic needs.

Stamps are sent to Father Mark at the Salvatorian Mission which has recently changed its headquarters to Wisconsin from Elkton, Maryland.

Used Christmas and greeting cards are collected for Rosary Hill Dominican Monastery.

Books are collected for the Veterans' Hospital at Bath.

Nylon stockings are collected for rug making and men's neckties are being collected at the request of Father Edwards for the use of the women in making rugs at the Holy Rosary Mission, Pine Ridge, South Dakota.

RELIGIOUS ARTICLES are sent to the LaSalette Mission in Burma and to the Rev. Elias Keller for his Mission at Kearny, Ariz.

Priests' clothing has been sent to Alcoa, Tenn.

In addition to the collecting of material and making the various items mentioned, the committee has also sent donations for the Madonna Plan.

These donations are sent to the Daughters whose interest and National Court of the Catholic money enabled the Morning Star Clinic in Hong Kong to become a reality. Here refugee mothers, many of whom are sampan dwellers, can receive help for their children. Under this plan the clinic at Bayoman, Puerto Rico is also helped.

The St. Jude Hospital at Memphis, Tenn., which serves children with incurable diseases has also received a donation. This hospital was begun by entertainer Danny Thomas.

The "Milk for Babies" program sponsored by the NCCW is another program which Court St. Rita has supported.

The "Adopt a Missionary Program" under the auspices of St. Michael's Seminary at Conesus is also being participated in by some of the members. Under this plan a person is assigned a missionary for whom he dedicates one day a week for the success of his work in the mission field. A person would offer his prayers, works, and sacrifices for this intention. There is no money or correspondence involved — simply the dedication. When notified of a per-

son's intention to take part in the program, St. Michael's sends a picture of the missionary and a prayer leaflet to the person who is taking part in the program.

THE MISSION group holds its regular meetings on the fourth Tuesday of each month at the Catholic Daughters Rooms.

Any person who has material she wishes to donate may contact Miss Riebel, Chairman, RE. 4-8375; or Mrs. Mary Burke, Grand Regent of Court St. Rita, RE. 4-0412; or Miss Mary K. Margraff, RE. 2-8058.

Since The Good Old "Cracker Barrel" Days

We've progressed in many ways since the days of the pot-bellied stove. We're better informed and base our decisions on what we've read or heard over the years rather than on the oft-times heated harangues of election time. It's been a good American custom to discuss issues that concern our community... weigh the merits of argument... draw intelligent conclusion. At the polls we have the privilege of expressing the dictators of our conscience in casting our vote for the men or women we believe will best serve our interests and the interests of our community. So we urge you to cast your vote this coming Tuesday with intelligence and logical thought. It's your right! It's your duty to make your voice in government heard!
