

# CYO In The News

Announcement was made last week at the C.Y.O. office that Family Swimming will be held each Sunday afternoon, from 2:30 until 4:00 p.m. Program Director, Howard Meath, stated that the C.Y.O. makes this time available to families of members and their friends, in order that they might participate in some phase of recreation during the winter months.

Children, attending these Sunday afternoon sessions, must be accompanied by a parent.

Non-members of C.Y.O., interested in participating in this event are subject to a guest fee rate. There is a maximum fee of \$1.50 per family.

The Catholic Youth Organization is inviting the parochial elementary school girls of the Rochester area to participate in a Junior Olympics Day on Nov. 25.

THE JUNIOR Olympics will consist of swimming races and springboard diving competition. The events will start promptly at 1:30 and should be completed by 3 p.m. on the Saturday after Thanksgiving. There will be awards and prizes given, including an award to the school whose pupils amass the greatest number of points in the various categories. A registration fee of twenty-five cents per girl will be required in order to enter, but this covers all events in which the girl cares to participate.

In order to make this Junior Olympics Competition a day of good fun and recreation for the maximum number of youngsters, the program of races and dives has been planned according to age groups and abilities. The basic requirement for swimming is that the girl be capable of swimming the full length of the pool, or seventy-five feet. Some of the races for older girls are planned for two pool lengths (50 yards).

In diving, the basic requirement is that the competitor be capable of performing three dives: one forward, one backward, and one personal choice.
