GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

On a plane recently, we met the president of a large corporation—a Protestant. He acknowledged that he was beginning to feel a bit ridiculous about giving the rector of his church \$10,000 a year, inasmuch as the latter was already receiving a salary of \$20,000.

We asked him if he had ever analyzed the way the rich give money. It seems to be a law that the "haves" give to those who have and the "have-nots" give to those who have not. The rich give to the rich, the poor give to the poor. An institution with a capital of 20 million dollars will have no difficulty getting 10 million dollars more in a drive. But a priest with a mud-hut church in Africa will be lucky to receive \$100 a year.

We then told the gentleman that the Scriptures blessed only those who helped the poor, not those who helped the rich. "He that hath mercy on the poor lendeth to the Lord." Did not Our Blessed Lord say to himself: "I was hungry, thirsty, naked, homeless?" But He never said that those who sought Him in the well-fed, the gluttonous, the well-clothed and the housed would find Him. John the Baptist recommended giving to the "have-nots": "He that hath two coats, let him give to him that hath none." Finally, Our Lord gave this rule of spiritual etiquette: "When thou makest a dinner... call not thy neighbors who are rich, lest perhaps they invite thee again, and recompense be made to thee... but call in the poor, the maimed, the lame and the blind. Since they cannot give in return, making you a trustee or repaying you with a banquet or tickets to a game, the Lord will have to reward you. When the gentleman asked for a group of poor whom he could help but who could not help him, except spiritually, we recommended that he start a leper colony. He proposes to do so.

This column, then, is a plea that the rich "invest" their money wisely, giving not only to those who already have millions, but to the destitute, the aged, the maimed. The Society for the Propagation of the Faith deals with all of these poor of the world—with priests who live on \$7 a month, with people whose income is only \$1 a week, with bishops who turn away 100 boys a year from their seminaries because they cannot afford \$250 a year to educate them. If you are interested in the poor, send your alms to the Holy Father through The Society for the Propagation of the Faith. He will make the distribution throughout the Missions of the world.

GOD LOVE YOU to J.T. for \$35 "I had been out of work for over a year and promised I would send you my first pay check if I found employment."... to Anonymous for \$2 "Please use this money for a teen-ager who needs food more than I need a new sweater or bracelet."... to E.C.W. for \$5 "This is the first check I ever received for an article, recently published in a local paper, and I want the Missions to have it."

At a loss for gift suggestions? Turn them into a gain for the Society for the Propagation of the Faith by selecting either our smart cuff link sets (oval or square), tie clasp or ladies' charm. Made of gold-colored Hamilton finish with the raised red insignia of the Society, these items are ideal for seminarians, class awards, any and all giving. Specify the items you desire, enclose a minimum offering of \$3 for each piece and send your name and address to The Society for the Propagation of the Faith, Order Department, 366 Fifth Avenue, New York 1, New York.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of the Society for the Propagation of the Faith, 366 Fifth Avenue, New York 1, N.Y., or your Diocesan Director, Rev. John F. Duffy, 50 Chestnut Street, Rochester 4, New York.
