# LENT BEGINS NEXT WEDNESDAY, IT'S TIME FOR

. . Months ago we quoted Nikita Khrushchev. It's well to quote him again . . . In 1936 Ethrushehev told his Party's Central Committee: "A Communist has no right to be a mere onlooker." EVERY COMMUNIST, he said, IS A MISSIONARY . . . Ominous words, certainly . . . In 45 years atheistic communism has devoured one-third of the people of the world.

The Holy Father's Mission Aid for the Oriental Church

By contrast, after 2,000 years. ONE BILLION NINE HUNDRED MILE LION PEOPLE have never heard of the Gospel, of Christ, of the Church .. Where is it we fall short? .. . "The Catholic Cliurch is essentially a missionary Church." Cardinal Cushing said not long aro. "If we fail to understand and act upon this principle, then we are going to lose the battle with international communism." . The Cardinal went even further "For the first time in the history of mankind." he said, "atheism is on the march; and

because we don't have in my opinion a misssionary Church." . Questions to think about during Lent: 1. To what extent am I to blame? Am I a Catholic an-

the Church is helpless to prevent the advance of anti-Christ

2. What did i do for the missions in 1961?

3. What can I do right now? There is no room, in 1962, for Catholic onlookers. We're at war! Ecclesiastics says: "Whatsoever thy right hand fandeth to do, de it with thy might."
