#### Integration **SERMONETTE** 'Quiet' in WAR! By the Rev. Richard Madden, C.C.D. Atlanta

Everybody knows about war. We've had so much of it. We've always had it. Adam and Eve probably fought over who got the first bite out of the, apple. Cain slew Abel. And we were on our way.

As long as there have been men, there have been wars. It will always be this way. We only kid ourselves when we start dreaming of endless peace on this earth.

This is why, in our own time, a war with Russia

is quite inevitable. It is not pessimisism to admit that democracy and communism cannot function together peaceably on the planet. One must go. And not to the moon. The only solution is war.

When? Well, who can tell. There was a span of 55 years between the Napoleonic Wars and the Franco-Prussian Wars. Then 43 years between the Franco-Prussian Wars and World War L. Between World War I and World War IL only 21 years passed. Now it has

been about 14 years since World War II (and we are being heartless enough to pass over the Korean War as a minor skirmish during which we lost 35,000 fine young men.

What can prevent it? Treaties, you say! Look. treaties (if we check history) have been nothing but a lot of hot air passed among liars. Between World War I and World War II, 4569 peace treaties were signed. Not one of them meant anything. And in the 11 months preceding World War II, 211 treties were signed. Just a lot of paper wasted.

War is only the result of man's selfishness and erotism. War is the offspring of our wickedness. It cannot be blamed on God. It is not God's fault. We people. When we willfully

**Precious Blood School Bus** Dies, Victim of 'Old Age'

The venerable sixteen year old school bus of Precious Blood School died at work last Thursday.

It just "gave out" — fortunately near the school —but its 145 young passengers must now walk to school or have their parents drive them there in private cars.

Four youngsters couldn't arrange transportation so had to skip classes a few days this week.

Father Sebastian Contegiacomo, pastor, who doubles as driver for the four trips before and after classes daily would welcome donations for a new bus. The school is located at 171 Stenson St., Rochester 6, N.Y.
