## GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

The Holy Father has declared that this Sunday be observed as Mission Sunday throughout the world. Mission Sunday is SPACE Sunday! It is the one day of the year when Catholics are asked to go into an orbit of charity for the entire world. Almost every other Sunday of the year is given over to the parish, the diocese, the school, the neighborhood in which we live, the nation. But on Mission Sunday, Catholics are reminded that they are catholic; that they belong to the Mystical Body of Christ throughout the world; that Africa, Asia, Oceania, Latin America and the Near East are their concern, their responsibility, their condition of salvation.

It is not easy for us who live in the richest country in the world to feel the hunger of the two-thirds of the world who do not have enough to eat. In a certain sense, no one knows what starvation is unless he has been at the point of starvation. No one can console the suffering unless he has suffered in some way. That is why Scripture says that Our Lord could have compassion on our weaknesses — because He bore them on the Cross.

This does not mean that we are to starve ourselves to know the misery of children and the ache of empty stomachs. But it does mean that we have to bring ourselves to a point of self-denial where we feel their agony as our own. We must do as Our Lord did when He met the leper who asked to be healed: "He stretched forth His hand and touched the leper." Touch is the deep language of love; it is the breaking down of distance between the lover and the beloved. Even our language speaks of this kind of contact as "getting in touch" with someone.

You can never help anyone at arm's length. If on Mission Sunday, then, you can make a sacrifice to the Holy Father which makes you feel need, you have "touched" the suffering of others. If you empty yourself of a day's wages you need badly, then you have contacted the emptiness of a child in Guatemala; if you deny yourself a cocktail for a month and give the equivalent on Mission Sunday, you will have felt the spiritual and bodily thirst of the poor in mission lands. Remember, Our Lord could have healed the leper without touch — but the leper needed the touch because it was the sign of love. May we, in the same way, touch your hearts! God Love You!
