

College Chaplain Heard By Geneva CDA Court

Geneva — The "Crisis Christian" . . . the one who prays only in time of need or when troubles or problems arise . . . was mentioned in a talk by the Rev. William Shannon, chaplain of Nazareth College, at the recent banquet of Court Annunciation Catholic Daughters of America.

The banquet was held in Fronti's Restaurant with 80 members and guests present. It marked the 43rd anniversary of the court.

Discussing "Awareness of Reality," Father Shannon emphasized that the Blessed Mother and the saints were real people, once flesh and blood, and not just "statues" and "we are not facing up to reality by visualizing them as just statues rather than people."

The speaker underscored the value and power of prayer and said that one should pray at all times and not in times of crisis only.

Mrs. Thomas Deane was toastmistress for the banquet. Mrs. Oswald DiDuro was chairman and Mrs. Robert Maher, co-chairman.

District Deputy Mrs. Harry Partrick congratulated the Court on the progress they have made and also on their membership.

Grand Regent Mrs. William Maher welcomed the members and guests and on behalf of all expressed appreciation to this year's banquet committee.

At the close of the program Father Shannon led the members in a prayer in remembrance of Bishop Burke of Buffalo, most recent New York State Chaplain of the Catholic Daughters, who died in Rome, Italy, on Oct. 16, while participating in the Ecumenical Council at St. Stephen's.

Guests at the banquet were District Deputy Mrs. Partrick of North Rose; Father Nolan, pastor of St. Stephen's Church, and chaplain of the court; the Rev. Edward Golden and the Rev. Bernard Carges, assistants at St. Stephen's.

VOTE FOR LAVERNE!

THE LAVERNE FAMILY:

Left to Right: Senator Laverne, Robin, Jacqueline, Mrs. Laverne, and standing, Carol.

ONE GOOD 'TERM' DESERVES ANOTHER

Meet The LAVERNES . . . After looking at his record and program below, we are sure you will agree with us that Tom will continue to be a great senator!

George McAvoy
Campaign Manager
Laverne-for-Senator

P.S. Their fourth daughter is Sister M. Thomassetta, now studying at Nazareth Motherhouse of the Sisters of St. Joseph.

When somebody makes you a promise . . .

you expect him to keep it, don't you? And if he keeps promise after promise to you, you learn to rely on him and trust him, don't you?

This is the reason I feel I can ask you to re-elect me as State Senator . . . I have kept every promise I made to you during the 1960 campaign! Even when the Legislature was not in session, I worked hard as your representative every day of the past two years.

Thousands like you have written to me. Hundreds of others have asked for my help in dealing with the various departments or agencies of the State of New York.

I have answered each letter individually. And no person who has asked for my help . . . whether or not that person was Republican, Democrat, or Liberal . . . has ever been put off or refused.

This is the kind of representation I promised you.

In addition, 19 of the 84 bills I sponsored for you last year became law. It was here, that my experience as a teacher and a lawyer became so important. For without that background it would have been difficult to have passed many of these bills which you wanted.

Labor has praised me. Businessmen have praised me. But both have criticized me at times. Why? And what does this mean to you? It means I'm not a "rubber stamp". It means I represent only YOU—to the very best of my ability.

You know my record. You know by experience that I keep my promises to you. In turn, I ask you too re-elect me November 6 so that we can continue to work together for the good of our entire district and state.

Sincerely,

Tom Laverne
