

Fund Program Underway

Auburn — A parish-wide program soliciting additional church support from every parishioner is now underway at Sacred Heart Parish, it was announced by Rev. Raymond J. Wahl, pastor and honorary general chairman of the program.

FATHER WAHL has complimented the people of Sacred Heart Parish for their efforts of the few short years since the parish was established. In this time, the Owasco parish has completed a rectory, school and convent.

FATHER WAHL

However, the need to maintain and increase the current level of giving was underscored by the pastor, and therefore the Parish Financial Need Appeal contains a dual objective: to urge every parishioner to make regular use of the Church Support Envelope supplied them, and to increase the church support (if at all possible, by "one hour's wage more per week.")

To facilitate the use of the envelopes, there will be but a single envelope used each Sunday, with the exception of envelopes issued for Diocesan appeals.

The Advance Phase of the Appeal will take place Sunday afternoon, Nov. 11, with the members of the Advance Committee soliciting a cross-section of the parish. The General Phase of the program will open Sunday, Nov. 18, when the members of the entire committee will complete the parish solicitation, asking each parishioner to estimate their church support over a twelve month period.

John T. Steigerwald and Donald J. Yorkey have accepted general cochairman ship for the program, while the general vice-chairmen are Gibson Brown, John J. Herrling and Joseph E. Vogel.

Advance Gifts vice-chairmen are A. Carl Gamba, F. William Moran, M.D., and heading the members of the entire committee are Car-

rol J. Gaffrey and Frederick L. Risser.

Professional counsel for the program is supplied by Joseph J. Conorton, a representative of Foley Association, Inc., a national fund-raising organization in Rochester.

Layman's Role Talk Slated

The role of the layman in the work of the Church and his role in the world is the theme of a talk by Father Gerard Weber, Sunday, Nov. 18 at St. John Fisher College.

FATHER WEBER, nationally known author and lecturer from the Archdiocese of Chicago, will conclude a two day institute with an address open to the public in the Rosina O'Doherty Kearney Memorial Auditorium at 8:30 p.m.

Father Weber views the Church as an organism. Thus the Church and hence the lay-

man's role changes and develops. What is the proper role of the layman today? Is the role of the layman only one of the governed? What contributions can the layman make? When does the layman have the right and the duty to take action?

Since 1943 Father Weber has been assigned to various types of parishes - suburban, middle working class, poor working class and presently in a Negro mission area - in the Archdiocese of Chicago.

Along with Father James J. Killgallon he has authored several books including "Life in Christ" an adult catechism and two sermon books called "The God Who Loves Us" and "Love Thy Neighbor". Father Weber and Father Killgallon are presently writing a ten article series called "Beyond the Commandments" now appearing in the magazine "Ave Marie".

Father Weber was one of the first chaplains in the Christian Family Movement and wrote the first Chaplains' Manual for that group. He has been active in Cuba for fifteen years and is a Cane Conductor.

DESIGN FOR A PARISH — Architect's sketch depicts plot plan for the newly-established St. John of Rochester parish, Perinton. Part of the 11½-acre plot, located at the corner of Pittsford-Palmyra Rd. (Route 31) and Wickford Way (at bottom) is not pictured. Darkened portion at top shows first part of combination church-school building to be erected in time for opening in September, 1963. Darkened portion at lower right is the rectory, now under construction. Outlines include future additions to combination church-school building, parking areas, and future church, rectory and convent. Parishwide campaign for funds toward initial \$300,000 land, construction and equipment costs will be conducted Sunday, Nov. 11.

Bishop To Launch Perinton Drive

Bishop Kearney will be principal speaker at the kickoff dinner for the new St. John of Rochester parish drive slated at Valley Echo Inn on Saturday, Nov. 10 at 6:30 p.m.

Catholics within the boundaries of the Perinton parish will be visited Sunday afternoon, Nov. 11, for estimates of what they will contribute over the next three years toward the proposed construction of a combination church-school-hall building.

SITE PREPARATIONS already are under way for the building, to be erected on an 11½-acre plot at the corner of Pittsford-Palmyra Road (Route 31) and Wickford Way, two miles east of Pittsford Village.

Occupancy is scheduled in September, 1963, according to the Rev. John W. LeVeque, pastor, St. John of Rochester School will be opened at that time with Grades 1, 2, 3 and 4.

More than 200 men of the newly-established parish have volunteered their services to call on fellow-parishioners.

Parishioners have been asked to remain at home between 2 and 4 p.m. Sunday until they are reached by a committee man, who then will report results of the canvass at the Bushnell's Basin Firehouse.

Father LeVeque has esti-

ated the building project, noting that the much-needed campaign success will require volume participation.

One of the difficulties in organizing the drive, he said, is the fact that Sunday Masses are celebrated in the Immaculate Heart of Mary Chapel, Bushnell's Basin, which is too small to accommodate all St. John of Rochester Church parishioners. Many of them still are attending Masses in St. Louis Church, Pittsford, and in the Church of the Assumption, Fairport.

Church quarters in the proposed building, Father LeVeque stated, will seat 400 persons. An adjoining meeting room seating 150, may be used as an extension of church quarters if necessary.

Heading the campaign committee are G. Bruce Carson and Leon G. Lesniak.
