**President Calls Nation To Give Thanks**

Washington—(RNS)—President Kennedy called upon Americans to give humble thanks "for the indestructible gifts of hope and love" in a "world of peril... in so uncertain a time" when they gather to celebrate Thanksgiving Day on Nov. 22.

THE FULL TEXT of the proclamation follows:

"Over three centuries ago in Plymouth on Massachusetts Bay, the Pilgrims established the custom of gathering together each year to express their gratitude to God for the preservation of their community and for the harvests their labors brought forth in the new land. Joining with their neighbors, they shared together and worshipped together in a common giving of thanks. Thanksgiving Day has ever since been part of the fabric which has united Americans with their past, with each other and with the future of all mankind.

"It is fitting that we observe this year our own day of Thanksgiving.

"It is fitting that we give our thanks for the safety of our land, for the fertility of our harvests, for the strength of our liberties, for the health of our people. We do so in no spirit of self-righteousness. We recognize that we are the beneficiaries of the toil and devotion of our fathers and that we can pass their legacy on to our children only by equal toil and equal devotion. We recognize, too, that we live in a world of peril and change

and in so uncertain a time we are all the more grateful for the indestructible gifts of hope and love, which sustain us in adversity and inspire us to labor unceasingly for a more perfect community within this nation and around the earth.

"Now, therefore, I, John F. Kennedy, President of the United States of America, in accord with the joint resolution of Congress, approved Dec. 26, 1941, which designates the fourth Thursday in November of each year as Thanksgiving Day, do hereby proclaim Thursday, the twenty-second day of November of this year, as a day of national thanksgiving.

"I urge that all observe this day with reverence and with humility.

"Let us renew the spirit of the Pilgrims at the first Thanksgiving, lonely in an unscrutable wilderness, facing the dark unknown with a faith borne of their dedication to God and a fortitude drawn from their sense that all men were brothers.

"Let us renew that spirit by offering our thanks for unearned mercies, beyond our desert or merit, and by resolving to meet the responsibilities placed upon us.

"Let us renew that spirit by sharing the abundance of this day with those less fortunate, in our own land and abroad. Let us renew that spirit by seeking always to establish larger communities of brotherhood.

"Let us renew that spirit by preparing our souls for the incertitudes ahead—by being always ready to confront crisis with steadfastness and achievement with grace and modesty.

"Let us renew that spirit by concerting our energy and our hope with men and women everywhere that the world may move more rapidly toward the time when Thanksgiving may be a day of universal celebration.

"Let us renew that spirit expressing our acceptance of the limitations of human striving and by affirming our duty to strive nonetheless, as Providence may direct us, toward a better world for all
