**World's Largest Statue**  
Spearfish, S.C. — (RNS) — The talented son of a world-famed sculptor is shown completing a work begun by his father. Gutzon Borglum's bust of Christ with arm upraised is being expanded to a full length statue by his son Lincoln. The completed statue will then serve as a model for construction of a Christ on the Mountain Monument, a 175-foot high figure to be placed atop Spearfish Mountain. According to the sculptor, the figure of Christ on the mountain top will be the largest statue in the world.
