Communion Rail at St. Monica's
A new marble Communion rail received Bishop Kearney's blessing Saturday morning before Christmas. Assisting in the rite are Monsignor Gerald Lambert, pastor, and Monsignor Edward McAniff. The Bishop described the rail as "a beautiful table where our divine Lord can give His best gift for the nourishment of immortal souls." Earlier the Bishop offered an anniversary Mass for the late Monsignor William Bergan who was chancellor of the Diocese and pastor at St. Monica's Church.

NEDT Tests Scheduled For St. Agnes Students
Freshmen and sophomores at St. Agnes High School will participate in the 1963 National Educational Development Tests Program in March, according to Sister Marie Margaret, principal. The NEDT battery, she pointed out, measures each student's ability to apply basic learning skills rather than ability to memorize particular facts or specific subject matter.

Consequently, the principal noted, the tests help educators identify educational strengths and weaknesses, and help students and parents make a realistic appraisal of educational and vocational objectives.
THE TESTS, providing scores in English, social studies, mathematics, natural sciences, and word usage, are constructed under the direction of Dr. E. F. Lindquist, author of the Iowa Tests of Educational Development. In 1962 more than 469,000 students in 5,529 of the nation's public, private, and parochial high schools took the tests.
A new student-parent profile leaflet will be provided to aid students and their parents to make important educational and career decisions. In addition, each student's principal and counselor are provided with booklets that will be useful to them in helping pupils and their parents to interpret the meaning of the test scores.

Miss Line, who had supervised student teachers of English at Nazareth College since retiring from Madison High School in 1956, died Dec. 17, 1962.
She was graduated from West High School and, in 1910, from the former Genesee Normal School. After teaching in New Jersey, she taught at School 11 here and was assistant to the principal. Miss Line then became an English teacher at the former Madison Junior High School.
Miss Line received a B.A. degree at the University of Rochester. She taught general methods at Nazareth College and two years of freshman English at Rochester Institute of Technology.
She leaves a sister, Mrs. Carrie Hildebrand, and several nieces and nephews.
