FATHER BIEBER

S.O.S. Works For Missioner

Davao, Philippines — A distress signal used by American motorists is proving itself a success in a jungle area here where there are no highways at all.

TO OVERCOME the confusion and delay in locating a sick person's hut in his remote mission territory, Maryknoll Father Howard T. Bieber of Rochester asked his parishioners to tie a white cloth on a stick in front of their houses when they needed his services.

The idea worked fine for the Rochester Maryknoller last week. Returning from one sick call in a nearby village he noticed a white flag flying in front of a house. When he entered the people were amazed that the priest could have arrived so fast as they had just put up the white signal minutes before.

Ordained in 1958, Father Bieber is formerly of 284 Nantucket Road and a parishioner of St. John the Evangelist Church, Greece.
