YOU READY TO JOIN THE WHISKEY REBELLION TONIGHT?

Every day of the year, a few men, a handful of rebels, stop buying their whiskey by habit.

They join the ranks of the discriminating people who buy by choice. Bellows Partners Choice.

Why? They hear from someone (maybe their bartender, maybe their best friend) that Partners Choice is gentle on the tongue. And it is.

There's a good explanation. It's made with more gently aged premium whiskeys.

They hear, too, that it's gentle on the pocket (only \$8.19 a Quart).

In fact, Partners Choice is the gentle taste in whiskey. Don't wait till someone tells you... be a rebel yourself.

Instead of habit... make it "Choice," the gentle whiskey from Bellows.
