Shrine In Naples

FIRST SHRINE in the village of Naples erected at the home of Mr. and Mrs. Robert Cornish is blessed by Father Henry C. Bleier, pastor of St. Januarius Church as the couple watches. The shrine is dedicated to the Blessed Virgin Mary. The immediate family except the couple's daughter, Patricia Ann Smith and her husband, Paul H. Smith, in Germany were present. Mr. and Mrs. Cornish's other children are a daughter, G. Elaine Steinmetz, and a son, Joel. Anyone in the area desiring to visit the shrine is invited by Mr. and Mrs. Cornish. Father Bleier said he would like to see a number of these shrines in Naples and vicinity. The couple erected the shrine June 16, 1963 in gratitude for a promise fulfilled by the Blessed Mother.

Children's Camp For Handicapped To Be Dedicated

The newly completed building for Camp Haccamo, the Handicapped Children's Camp, was dedicated at brief ceremonies on Saturday, June 22.

Dedication ceremonies will started at 10:30 a.m. at the campsite, which is located just south of Panorama Creek Drive at the rear of Panorama Plaza, Penfield. Dedication was followed by a guided tour of the building and grounds.

From 12:30 to 2 p.m. a Chicken Barbecue was held at the same site, to which all are welcome.

CAMP HACCAMO is the first wholly-owned camp of the non-profit corporation, Handicapped Children's Camp for Monroe County, Inc., which will start its sixth year of operation in July. This corporation was organized and has been supported by the 10 Rotary Clubs in Monroe County.

The camp is directed by Don Claglia and has operated in the past five years at the Rush Rifle Rang facilities through the courtesy of the National Guard. Up to 75 handicapped children per season have been given a two-week camping experience at no cost whatever to their parents.

The new camp has been built through the generosity of hundreds of Rotarians and friends, who have contributed money, materials and time to complete this project. Present value of the buildings and grounds is estimated at over $500,000.

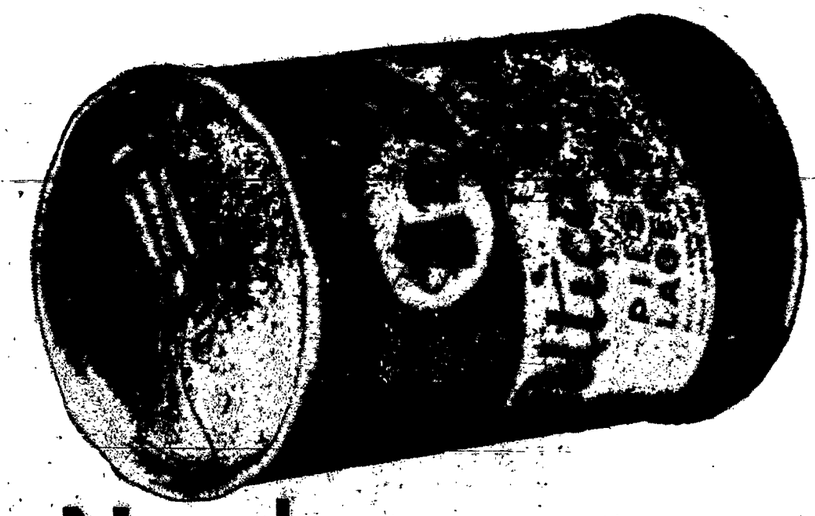
Needs no ice.



Needs no opener.

It's the new Utica Club Poppit Can Cold Pack, and this is how it works:
1. It consists of six Poppit cans of Utica Club Beer, sealed in an insulating aluminum foil carton.
2. You put the carton into your refrigerator the night before, to chill it thoroughly. (Or you pick one up already cold from your dealer's refrigerator.)
3. Now you're all set for beer on your fishing trip or picnic. The Cold Pack will keep the Utica Club cold for hours without ice, and
4. The Poppit cans are easily opened without a can opener. Just Poppit. Zippit. Sippit.
5. The nicest part of all is that you're taking along Utica Club, the beer that still tastes like beer and smells like beer and feels like beer.
Try the Utica Club Poppit Can Cold Pack this weekend. You'll be pleased to discover that
