Clark, N.J. — (AP) — A regional high school for girls being built here will be named for Blessed Mother Seton. The school is one of nine new high schools planned by the Archdiocese of Newark, four of which are already in operation. It will be staffed by the Sisters of Charity of St. Elizabeth, a community which recognizes Seton as its founder. The school will have a capacity of 1,000.

Mortgage Loans Reach New High

Total mortgage loans at Rochester Savings Bank have reached an all time high, making the largest of all local financial institutions.

F. Stanley DeVoy, vice president, treasurer and head of the mortgage department, reported that the bank's total mortgage amount reached \$180,000,000 as of Aug. 1.

Rochester Savings has issued a total of nearly \$200,000,000 in new mortgage loans since the start of its current fiscal year, Dec. 1, 1953.

DeVoy pointed out that the volume of requests for and the granting of mortgage loans has been so great that Rochester Savings is giving very serious consideration to increasing its goal upwards from the \$33,000,000 originally allocated.
