McQuaid Scores In Jesuit Meet

A weekend in New York netted McQuaid Jesuit High a pair of cross-country titles last Saturday as the Knights captured the varsity and freshman races of the annual Jesuit High Schools Championships at Van Cortlandt Park.

Both wins came by narrow margins for the Knights, who were making their first appearance in the meet and running the hilly 2½-mile course for the first time. In the varsity race, it was 62-64-66-66 for the first four schools, and McQuaid, the only one to get all 5 scorers into the top 20, had the winning low. The freshman race saw the Knights put their scorers into the top 11 and win, 36-42, over runner-up Fordham Prep, whose fifth man finished 20th. Fordham was the varsity runner-up also.

Eric Kendrick, McQuaid's number one runner all season, won his third straight meet and kicked past a Fordham Prep man to do it. Greg Sloan (11), Mike Connor (13), Mike Shaughnessy (17), and Dick Lenhard (20) completed the scoring.

The freshman squad was paced by Paul Jones in second place, followed by Henry Enders (5), Mike Jaquith (8), Charlies Cade (10), and Bob Anfenberger (11). Dick Pantaleo (14) and George Wegman (15) also earned medals for the winners.

'View' Discontinued

Yonkers, N.Y.—(NC)—View magazine published here by the Capuchin Fathers has ceased publication. The magazine was founded in 1937 under the name of the Cowl. The Capuchins said "high production costs, combined with other factors, have forced discontinuance."

McQuaid Ends Season Undefeated

The laurels were muddy but very worth resting on for McQuaid Jesuit High's football Knights last Saturday as they wrapped up an unbeaten season with a 19-0 win over Jamestown on a cold and rainy afternoon at McQuaid.

The Knights now can rest until next August on an 8-0 record, the best in the school's 7-year varsity history. But for sixteen seniors playing in their final game, Saturday was all that mattered. Bowing out on a high note were regulars Joe Miller, Jim Nakas, Tom Brennan, Joe Connellan, Vince Bosso, Dave Cofro, Tony Bursack, George Vito, Steve Mayka, and John Decker as well as second-liners Bill Oestreich, Mike Drexel, Mike Zablar, Eddie Iles, and George Jenien.

Much of the season's success can be traced to the maximum mileage that coaches Tom Seymour and Frank Noce got from the senior contingent, only a few of whom had seen much action the previous year. On Saturday, for example, Brennan scored 13 points, setting a new individual scoring mark for the school, and Connellan had the other 6, giving the seniors a monopoly on the point-getting. And the almost-all-senior defense, in its glory on the muddy turf, turned in a near-perfect job against a Jamestown club that had scored 3 times in the mud a week earlier.

McQuaid stuck almost exclusively to the ground to grind out the victory, and the juniors got into the act there in the persons of linemen Jim Comparato and Dennis Pilato and backs Dick Deleguardia and Dan Wegman. Deleguardia was a key at quarterback where his sure handoffs led to 221 yards gained.

The Knights drove 52 yards for their first score, early in the second period, with Connellan registering from the 4 and Brennan cracking over for the extra point. The next TD came the easy way, as Brennan picked off a Raider pass shortly after the ensuing kickoff and galloped 55 yards to the end zone. It was Brennan again in the last period, with a typical power burst from 17 yards out to climax a 48-yard advance.

And so a season that started out with one of the greenest teams that McQuaid has fielded produced results that hardly seemed in the offing. A combination of rugged defense and an ability to sustain a ground attack were the big factors. The opportunism of intercepted passes, fumbles, and blocked kicks that marked several of the games was another. The intangible but very real thing called team spirit was part of it, too. And the Seymour-Noce coaching combination certainly played its role. Any way you figure it out, it adds up to 8-0.

Kings Finish Unbeaten With Win Over Mooney

Bishop Kearney's powerful Kings became the first undefeated football team in the school's short history with a 7-6 conquest of previously undefeated Cardinal Mooney, Saturday. The two arch-rivals staged a thrilling battle right down to the final second for the 2500 rain-soaked fans at Aquinas Stadium.

Mooney struck like lightning; after barely two minutes had elapsed in the first period, when Jim Butler scored on a two yard dive. It appeared that Mooney was headed for another marker when the Kings fumbled the pigskin on their own 20-yard line, the first time they had the ball. But the Kearney defensive unit was true to the task in stopping Mooney on the one foot line. This seemed to inspire the Kings to play a steady heads-up game, but nevertheless they found themselves on the short end of a 6-0 half-time score.

Bishop Kearney tied the score midway through the third quarter when RICK COLEMAN swept 48 yards around end; and quarterback PHIL SMITH bucked over for the extra point, to give the Kings their winning margin of victory.

After that, Kearney's defense starved any serious Mooney threats and the Kings had avenged last year's loss to the Cardinals.

Kearney coaches Walt Telke, Martin LaFica, and Dan Coglin are certainly to be commended for their excellent work in bringing last year's 3-3 squad a perfect season on basicly the same schedule.

Mainstays on Kearney's offensive team this season were Smith, Coleman, Scott Shales, Walt Szarlecki, and linemen Randy Mackzamie, Chuck Dennehy and Larry Moran. Stand-outs on defense were Dan Oberst, Don Monacell, Joe Arcarese and Norb Szymula.

Bishop Kearney's football team deserves congratulations on a job well done.—M. S.

Aquinas Bows To Pittsburgh

By WHIT JOHNSON

Aquinas Institute footballers closed out their season last Sunday with a record of four wins and four losses. On the surface this is only a mediocre mark. However, when you consider the caliber of teams played and the size of the opposition (Aquinas often gave away 10 to 15 pounds a man), a .500 record begins to look attractive.

North Catholic of Pittsburgh added a 91 yard run to a pass interception in the third period to score and win the game, 6-0, in the season's finale.

Sunday's was an unusual game. It produced probably the best defensive performance by Aquinas this year. Offensively, the Little Irish outdid the Pittsburgh Catholic Champions. Although picking up considerably more yardage on the ground and in the air than the Trojans and making more than three times as many first downs as Pittsburgh, and although penetrating within the opponents' 15-yard stripe five times throughout the contest, Aquinas was not able to score once.

A FUMBLE, the pass interception and a stubborn Pittsburgh line thwarted all five attempts to score. Also playing a big part were 205-pound Ted Verlihay and 6-foot-4, 220-pound Mike Evans who should be playing for some college team — and will as soon as they get their high school diplomas. Bill Rebholz was another argument in favor of Pittsburgh.

Junior Bob Colbert picked off Mike Pichler's pass and raced 91 yards to the 4 yard line. Rebholz scored the lone TD of the game two plays later.

Scoring statistics for the season show that Lou Spiotti made 8 touchdowns and kicked 13 extra points for a total of 61 points. Spiotti also gained 724 yards in 110 carries for an average of 6.6 yards per carry. Kevin Barrett accounted for 33 points and gained 462 yards in 79 attempts for a 5.7 average.

Quarterback Mike Pichler threw 4 touchdown passes among his 84 attempts and completed 31 passes for a gain of 350 yards. Leading in the pass receiving department was Bill Huling with 10, gaining 127 yards. John Sommers with his golden toe kicked 22 punts for an average of 44 yards per kick.

HUMIDIFIER CONTROLS HUMIDITY PURIFIES AIR!

One of the most popular new appliances is the home humidifier. And one of the most popular humidifiers is the new West Bend that purifies the air as it automatically keeps the humidity in your home at a constant, comfortable level.

Aside from the comfort benefit your West Bend Humidifier can help reduce common colds and childhood sicknesses through controlled home humidification. Your West Bend will disperse as much as ten gallons of moisture a day through your home when humidity is exceptionally low.

The new West Bend has been designed as an attractive piece of furniture with a royal vinyl walnut finish plus ivory and brass trim which blends with any room decor.

See it soon at the RG&E Appliance Center.

Here's How It Works!

Air is drawn into the humidifier by an electric fan. The air is cleaned and humidified by a germicidal solution as it passes through a continuous-motion belt. The belt draws the germicide and moisture from a large-capacity rust-proof reservoir. After passing through the filter belt, the moistured air is dispensed through the adjustable grills at the top. The unit's automatic humidistat turns off the humidifier when the desired comfort level is reached and turns it back on when the humidity drops below the comfort zone.
